Announcements

NOTICE TO ALL DTH CLASSIFIED CUSTOMERS: Please read your ad the first day it runs to check for any errors. Call us by noon on Tuesday and we'll change it for the next Thursday's paper. We are responsible for first day run errors only! We will stop your ad any time, but no refunds or credits for stopped ads will be provided. Deadlines are NOON on Tuesday prior to publication for classified ads. We publish every Thursday through both summer school sessions. A university holiday is a DTH holiday too (i.e., this affects deadlines). We reserve the right to reject, edit or reclassify any ad deemed inappropriate, obscene, illegal or otherwise objectionable. Acceptance of ad copy or pre-payment does not imply agreement to publish an ad. No advertising for housing or employment, in accordance with federal law, can discriminate on the basis of sex, race, creed, color, religion, national origin, handicap, marital status.

SCORE BIG, SCORE OFTEN with MY-DTHES.COM! Register today and get a free CD of code music, and much more.

?? B.S.P.H. in Biostatistics ??

Do you enjoy the applied aspects of mathematics & computer science and have an interest in health & health-related problems?

If so, call Dr. Craig Turnbull (966-7259) to schedule an informal discussion about an undergraduate major in Biostatistics.

Our program prepares individuals for professional statistical positions and it also provides a firm academic base for subsequent graduate studies—not necessarily in Biostatistics.

69% of our 137 graduates have been or currently are employed in NC's RTP area.

67% of our graduates pursued additional education.

Horoscopes
by linda c. black

Today's Birthday (Feb. 24)
To get where you want to go, travel may be required—and higher education, too. The scheme that works best takes you back to a familiar place in March. Move quickly to get the best deal in April. Pay close attention to an older person's instructions in May. Follow a strong leader to learn your trade in August. Excuse yourself to advance even further in November. Step into a new lifestyle in December and achieve a dream by late January.

To get the advantage, check the day's rating. 10 is the easiest day, 0 the most challenging.

Aries (March 21-April 19)
—Today is a 5—This is going to be an emotional day for some people. You probably don't feel comfortable in emotional situations. You hate it when somebody nearby bursts into tears, for no apparent reason. Make sure it's not over something you said. Mind your manners.

Taurus (April 20-May 20)
—Today is a 6—There's quite a lot of behind-the-scenes wheeling and dealing going on. If you want to stay in the loop, you're going to have to pay attention. Also, be respectful to the person most likely to be in control of the situation. (That's a no-brainer!) **Gemini (May 21-June 21)**
—Today is a 5—Theoretically, this should be a good day for making money. It might not turn out quite as well as you hope, however. If something promises you that's almost too good to be true, well, get it. Also, get it in writing. **Cancer (June 22-July 22)**
—Today is a 5—Lots of different things will go quite well for you now. This is wonderful, especially after the garbage you've been through for the past few days. You could even make money, relatively easily. Express your talents and have a great day. **Leo (July 23-Aug. 22)**
—Today is a 9—The emphasis today could be on emotions. Be calm and patient with a person who's easily upset. This could take up most of your day, but try not to get mad. Travel conditions are unfavorable anyway. Just take it slow and easy. **Virgo (Aug. 23-Sept. 22)**
—Today is a 7—You may have the opportunity to learn something new—and soon. This could be a skill or craft that you can use to improve your lifestyle. Unfortunately, it conflicts with whatever you're doing now to pay the rent. This is a temporary condition. **Libra (Sept. 23-Oct. 23)**
—Today is a 6—Others' nerves will be on edge today, and their feelings will be close to the surface. The best way to get on their good side is to ask for moniesaving tips. Don't just ask; actually do these things and save money. That's using your brains! **Scorpio (Oct. 24-Nov. 21)**
—Today is a 6—There could be quite a lot of confusion, but that's OK. Use it as your excuse to have meaningful conversations. The confusion didn't start today, but the flare-up now could inspire you all to clean up this mess. And that would be good. **Sagittarius (Nov. 22-Dec. 21)**
—Today is a 4—You may feel that something has to get done. That's partially because you're being nagged by your own conscience and partially due to nagging from an actual human being. Romance could be a hassle, too. Don't plan on getting together now; you have to work! **Capricorn (Dec. 22-Jan. 19)**
—Today is a 7—Sometimes you don't want to be bothered by a crowd, but today it could be interesting. You could learn something you didn't know before. You're also apt to encounter somebody you'd like to know better. So, get on out there and mingle! **Aquarius (Jan. 20-Feb. 18)**
—Today is a 5—You're an analytical person. You can usually figure out whatever you need to know, through science or logic. Today, that won't necessarily be the case. You'll experience pressures that aren't easily explained. So, take care, especially if money's concerned. **Pisces (Feb. 19-March 20)**
—Today is a 6—Things move along quickly, with opportunities and problems popping up here and there. You'll hear a lot about what works best for others. You care about them, of course, but it's up to you to speak up, too. Let them know what works best for you! Linda explains what's going on in greater detail at (900) 956-9000, for 99 cents per minute. To leave a message, call (888) 522-9533 for free. © 2000 Tribune Media Services, Inc.

UCIS
University Center for International Studies
Funding Opportunity for Graduate Students

UCIS is reopening its Foreign Language and Area Studies (FLAS) competition for academic year 2000/01. We invite applications from graduate students interested in studying a less commonly taught language. In particular, we encourage proposals for the study of Arabic, Kiswahili and Indonesian/Malay (which will be offered for the first time at UNC beginning Fall 2000). We will also consider applications for the study of other less commonly taught languages offered at UNC, including Chinese, Japanese and Vietnamese (or Korean, which is offered at Duke). The stipend is \$11,000 plus full tuition/fees/health insurance. Applicants must be US citizens or permanent residents. Please submit the following materials to Dr. Niklaus Steiner, CB# 5145, 223 East Franklin Street, by March 10: 1) a 3-4 page proposal, including a description of your research interests; 2) graduate transcripts; 3) 2 letters of recommendation from UNC faculty; 4) a CV; 5) a letter from a language instructor attesting to language capability (not required if applicant has no prior knowledge of the language); and 6) a completed application form (available at http://www.unc.edu/depts/ucis/funding/flas.htm).
