## HOROSCOPES

by linda c. black

**Today's Birthday (March 7)**  
Money's important this year, and how you spend it is important, too. Consider an old promise in March, then follow through on it in April. Abundance is yours in May if you follow strict rules and regulations. Common sense is your best guide in August. You're learning and growing all year to advance in status around December. With luck and good planning, a dream can come true around February.

**To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.**

**Aries (March 21-April 19)**  
—Today is a 7 — You're looking good. You're bold, brassy and assertive. You and your friends will be able to accomplish just about whatever you go after. If you can be gentle, too, you'll make a perfect score. Don't let your enthusiasm make you insensitive.

**Taurus (April 20-May 20)**  
—Today is a 6 — Dig in your heels and make what you want clear. Don't let anybody else push you into doing something that's against your best interests. If you decide to do it, fine. If not, then politely decline. Know what you'd be getting into.

**Gemini (May 21-June 21)**  
—Today is a 7 — Are you grounded? Your friends want you to come out and play, but responsibilities take precedence. You're smug and good looking and lucky. Make sure you do what you said you would, and you might even get to go play. Don't waste time arguing!

**Cancer (June 22-July 22)**  
—Today is a 6 — You might be more sensitive than usual to criticism. Unfortunately, somebody you know has a short fuse. Don't get bullied around. The other person's agitation may have nothing to do with you. Be nice but don't take any guff.

**Leo (July 23-Aug. 22)**  
—Today is a 7 — Your situation has improved. It's still a good idea to be cautious with your money, but you should be getting used to that by now. Instead of feeling pinched, feel prosperous. Find a way to do something that will be a lot of fun — and within your budget.

**Virgo (Aug. 23-Sept. 22)**  
—Today is a 6 — If you and your partner put your heads together, and your money, too, you can get something you both want. It may be a stretch, but if it's an item you'll both enjoy, you won't mind. Doing without something else will be easy.

**Libra (Sept. 23-Oct. 23)**  
—Today is a 7 — It's a good idea to go along with what a partner suggests. You may have to hustle to keep up, however. The action is fast and furious. The lesson you're learning is about being of service. So, don't do this for yourself. Do it for the other person.

**Scorpio (Oct. 24-Nov. 21)**  
—Today is a 7 — Somebody who's near and dear needs your attention tonight. You're so busy that you hardly have time to take a lunch, but don't work any overtime. Get home as soon as you can to take care of somebody you love. It shouldn't be a problem. You'll be pooped by then!

**Sagittarius (Nov. 22-Dec. 21)**  
—Today is a 7 — You're in the mood to get rowdy. Everybody loves being around you when you're like this. There's just one little thing to watch out for, however. Make sure you take safety precautions. "Trip and fall" will be the most common cause of injury.

**Capricorn (Dec. 22-Jan. 19)**  
—Today is a 6 — You might be ready to take action at home. Have you outgrown something or have you just lost all patience with it? You might even be able to upgrade to a better neighborhood. If you can, well, why not? Capricorn is the sign of upward mobility, you know.

**Aquarius (Jan. 20-Feb. 18)**  
—Today is a 7 — You may be busy today. You have a lot of business to take care of, and you might not be sure how much money is available. You could plan better if you knew how much you could spend! Well, do the best you can with what you know you have.

**Pisces (Feb. 19-March 20)**  
—Today is a 6 — You may be a little nervous. If you think you've earned more than you're getting, speak up. An amazing aspect that could work in your favor is in effect now. It suggests that to get more, all you have to do is ask. Could it be that easy? Why not try? Linda explains what's going on in greater detail at (900) 960-9000, for 99 cents per minute.
