Best Local Music Group

Winner: Sankofa

This is the last time we can refer to Sankofa as a local band. After playing with acts such as The Roots and Busta Rhymes, Sankofa is on the move out of Chapel Hill and getting ready to hit the US by storm. After doing so well in MTV's online "Ultimate Hip Hop Band Talent Search" they are about to receive the respect, publicity, and fame they deserve. Their latest release, Five Elements, is a must have for anyone seeking auditory pleasure.

Best Up and Coming Artist

Winner: Sankofa

Despite winning best local group, Sankofa also won this title hands down. Students recognize that Sankofa is on their way up and out of Chapel Hill. Their style is a mixture that promises to please everyone.

Favorite Website

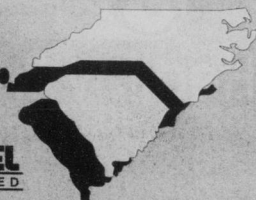

Winner: Yahoo

Yet Another Hierarchical Official Oracle, but not so for UNC-CH students. What began as a hobby and grew into a full-time passion for two Stanford students has become the information resource of choice. Yahoo has become the most popular gateway to knowledge and trivia, not only for UNC-CH, but for the web-surfing public at large.
