Chapel Hill's own Alexander Julian returns Saturday, April 8th, from 11 a.m. to 2 p.m. to showcase his latest furniture, home furnishings and men's fashions at the stores he calls home...Julian's and Julian's Home.

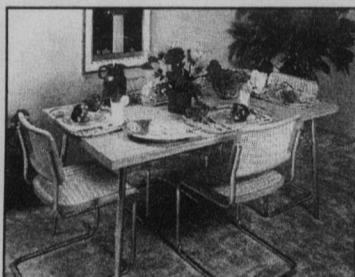

Ask the designer any questions about furnishing your new home or dressing for your new job. Mr. Julian's unique sense of color, texture fabric and style have made him an award-winning designer in two realms...home furnishings and men's fashions.
