Beth Lever

The University of North Carolina and Wachovia would like to congratulate Beth Lever, the Wachovia Woman of the Week.

Beth is a junior golfer from Kiawah Island, South Carolina. She was a starter on last season's team and her coach, Sally Austin, said "Beth contributed immensely to last year's team and is a hard worker." Off the course, Beth also works hard as she is a mentor for freshman students and a member of the Fellowship of Christian Athletes and of Athletes in Action. She also spends her time participating in Carolina Outreach and volunteering at the Medical University of South Carolina.

Wachovia is committed to supporting achievements by women and is proud to celebrate Beth Lever's accomplishments.

WACHOVIA

Let's get started.

NOTICE TO ALL STUDENTS ENROLLED AT THE UNIVERSITY OF NORTH CAROLINA AT CHAPEL HILL

In accordance with state and national law, The University of North Carolina at Chapel Hill has established policies and procedures that require access to full membership and participation in any student organization without regard to race, religion, national origin, disability, age, veteran status, sexual orientation, and except where allowed by law, gender.

Further, in order to fulfill requirements of law that the University of North Carolina at Chapel Hill not aid or perpetrate discrimination against any person by providing significant assistance to any organization which discriminates against any student on the bases enumerated above, the University requires every institutionally sanctioned student organization to file with the institution a statement of the organization's non-discrimination policy.

As of November 1, 2000, the organizations listed below have been officially recognized by the University administration for the year ending September 30, 2001. Recognition is not granted unless the organization files with the Vice Chancellor for Student Affairs, a statement of its non-discrimination policy. Any currently enrolled student may examine the statement on non-discrimination policy of any recognized student organization by applying at the Office of the Vice Chancellor for Student Affairs.

Any currently enrolled student who applied for membership in any recognized student organization, was denied membership, and believes the denial was based in whole or in part on his age, disability, national origin, race, religion, sexual orientation, gender, or veteran status, should notify the Vice Chancellor for Student Affairs.
