Coming into the 2001 campaign,

senior and third-team All-American Abby Martin knew she would have to

take her game to an even higher level. North Carolina's leading scorer from 2000, Kristen McCann, used up her eli-

gibility, and the team would lose mid-fielder Carrie Lingo and goalkeeper

fielder Carrie Lingo and goalkeeper Amy Tran to the U.S. national field hockey team for seven games in

September. "I knew during the summer that I would have to take a real leadership role," Martin said. "I knew it was time to

step up my game." Step up her game on the offensive end of the field, that is.

On his next punt, he lofted the ball 57 yards to UNC's 1-yard line to frustrate the Tar Heels, who were busy trying to evade getting tackled in the end zone and couldn't move the ball downfield.

"He kept us pinned down," UNC coach John Bunting said. "We never really had good field position. When you're inside your one-yard line, you are limited as to what you can do."

With the score tied at seven in the sec

Maryland's 161 running yards. Perry has been learning to run North-South instead of his East-West style because of

Parker, opened the game for the Tar Heels in spectacular fashion. Maryland punter Brooks Barnard kicked a 27-yarder out of bounds, leav-

first offensive play of UNC's afternoon, quarterback Ronald Curry dropped

straight back and handed off to Parker

who took off for a 77-yard run, scoring North Carolina's only touchdown of the afternoon with 13:12 left in the first

"It was a momentum setter," UNC center Adam Metts said. "We were real

excited. Everybody executed. It was a perfectly executed play. We broke their

backs on it, I thought. I thought, maybe

we can set the tone of the game." But North Carolina's offense could

not repeat Parker's feat. Parker finished

the game with 114 yards on 13 carries -

Of North Carolina's 14 drives on the day, nine began inside its own 25-yard line. Seven of those nine began immediately

after a Barnard punt. "To put them inside the 10 and a cou-ple times inside the 20, having to drive the whole field, I think that was a big edge for us," Terps defensive tackle Charles Hill said.

All this from a guy who had to have his teammates sneak him bananas on water breaks and was scarfing down energy bars during halftime. Barnard said, "If that's the result, then

to make plays. "Once again, that is not a total sur-prise. They're young kids. That's why we played at Oklahoma. That's why I was hoping we'd see a big improvement this week."

Of course, it was not just youth on the Tar Heels' offensive line that kept the running game on the ground. The Maryland defense matched up well against the Tar Heels, and the Terps were able to turn their anger about Parker's touchdown into defensive fuel. The defense recorded 4.5 sacks, including one of Curry for a safety in the second quarter. After Parker scored, Friedgen turned

around and looked at his team. He did n't yell at them, or accuse the defense of missing assignments. Instead, he made a promise to them. He said, "That's the last time they are going to score today.

Unfortunately for Durant and the Tar Unfortunately for Durant and the lar Heels, the answer was pretty much no. He did move the ball well, something starting quarterback Ronald Curry struggled with again. But instead of being responsible for two touchdowns, Durant was charged with two intercep-tions.

His numbers were also still better than Curry's. Durant was 10 of 14 for 97 yards and was sacked twice. Curry went 6 of 12 for 61 yards. He was picked off and was also sacked twice.

"I thought Darian played pretty well when he was in there. Can he play bet-ter? I think so," North Carolina coach John Bunting said. "We had a couple

## **Change of Style Helps Perry**

In Maryland's auditions for LaMont Jordan's replacement, Bruce Perry has emerged as the Terrapins' guy. But getting his name at the top of the depth chart wasn't easy.

"I was in the doghouse (with Maryland coach Ralph Friedgen)," Perry said. "I know I was in the doghouse." Perry naturally zig-zags up the field, but Friedgen, a former offensive coordi-

nator, made Perry change to a North-South style because it would give oppos-

ing defenses less time to tackle him. Although it took him some time to get it down, Perry employed his new style against UNC and rushed for 116 yards. Perry said, "I realize that the change
