Today's Birthday (April 11)
Your inner and your outer sides are in alignment this year. You can clearly see what should be done, and you have the courage to do it. You can succeed at this endeavor, but success doesn't fall into your lap. Your brains get a good workout. It'll be fun. Play by the rules.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

Aries (March 21-April 19)
- Today is an 8 - Don't get distracted by a storyliner. Cut through the layers of words and through other people's considerations to get right to the bone. You can see what needs to be done, so do it.

Taurus (April 20-May 20)
- Today is a 5 - The pressure is on, and it'll get worse. From now through Friday, settle. Don't let a stern taskmaster catch you leaning on your shovel, even if your assignment is finished. Look busy!

Gemini (May 21-June 21)
- Today is an 8 - Have you decided which side you're on yet? This is a fabulous time to sign on with the winning team. It should be easy to tell which team.

Cancer (June 22-July 22)
- Today is a 5 - Maintaining your positive attitude is appropriate, but grinding at the wrong time isn't. For heaven's sake, don't laugh at somebody who's giving you orders, even if he or she looks ridiculous. Stiff upper lip!

Leo (July 23-Aug. 22)
- Today is an 8 - Your planning pays off, as you smoothly avoid what could have been a big mistake. If you do stumble, pick yourself up and get back in the race. You're strong enough to make up for it and still win.

Virgo (Aug. 23-Sept. 22)
- Today is a 5 - Slice through the superficial and get down to the substantial. Think of it as mining for gold. There'll be tons of digging, but you can hit pay dirt.

Libra (Sept. 23-Oct 22)
- Today is a 7 - Your partner's idea is apt to stir up some controversy. Better work on it together a while longer before making your presentation. Tone it down just a little.

Scorpio (Oct. 23-Nov. 21)
- Today is a 5 - There's way too much work and not enough fun. This situation is temporary and could lead to profit, so don't complain. Have at it, and schedule a date for Saturday.

Sagittarius (Nov. 22-Dec. 21)
- Today is an 8 - Yes on love, no on spending money. Your sweetheart will understand - or should, at least. If he or she doesn't, he or she must prefer symbolism over substance. Don't go for that!

Capricorn (Dec. 22-Jan. 19)
- Today is a 5 - Frustrations often lead to creativity. Remember that when you're about to give up. And don't lose your temper just because somebody else does.

Aquarius (Jan. 20-Feb. 18)
- Today is an 8 - Whatever you're learning now is so interesting, it could interfere with your regular job. It's important to study or practice, of course, but don't jeopardize your livelihood - at least not yet.

Pisces (Feb. 19-March 20)
- Today is a 6 - Something you'd like to make happen simply is not possible yet. That's just the way that it is. That's not the way it will always be. You get to write that script, starting now.
