HOROSCOPES

Today's Birthday (April 26)
If your work seems overwhelming, take on a good partner. A careful strategist would be perfect - somebody who shares your commensurate approach. First, make sure the money's coming in. Then, get somebody sharp to help you spend it.

To get the advantage, check the day's rating. 10 is the easiest day, 0 the most challenging.

Taurus (April 20-May 20)

- Today is a 7 - Your workday is intense, but communication is fine. The non-verbal kind, anyway. Schedule private time this evening with a person who really understands it. It won't matter whether you can find the right words.

Gemini (May 21-June 21)

- Today is an 8 - You're in the mood for love, and you should be doing pretty well. When you get to flirting, you're hard to resist. But this isn't all fun and games. Tonight, face some tough questions together.

Cancer (June 22-July 22)

- Today is a 7 - You have a friend of yours who's good at fixing things. You also have some great ideas. Put two of them together this weekend and fine-tune your domestic environment.

Pisces (Feb. 19-March 20)

- Today is a 6 - Put your affairs in order. Return phone messages by bill. The more you get done now, the further you'll get this weekend. Plan your itinerary carefully, and give yourself plenty of time. There will be delays.

Aries (March 21-April 19)

- Today is a 7 - You & your partner need to talk about finances. Come up with a master plan so that you'll know how to allocate your funds. This coming weekend will be excellent for buying & selling.

Leo (July 23-Aug. 22)

- Today is a 7 - You have a friend who's good at fixing things. You also have some great ideas. Put two of them together this weekend and fine-tune your domestic environment.

Virgo (Aug. 23-Sept. 22)

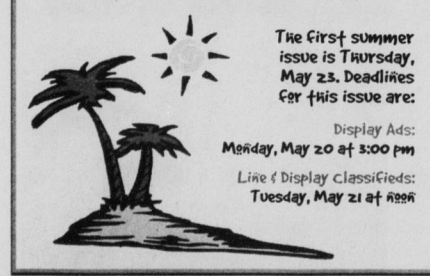

- Today is a 7 - Gather up as much as you can get. There's no doubt you've earned every penny. If it's still not enough, look around. What should you learn next?

Libra (Sept. 23-Oct. 22)

- Today is a 7 - Earlier is better for getting your ideas across. Less talk and more action is required later. Don't make promises you can't keep.
