HOROSCOPES

Today's Birthday (Feb. 26)
 You'll get insight and support this year from friends, both old and new. Other things may come and go, but friendships are forever. The real ones, anyway. You'll find out whether or not they're real.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

Pisces (Feb. 19-March 20)
 - Today is an 8 - Accept the congratulations of family and friends. You've made it past the most difficult part. Make time for a celebration.

Aries (March 21-April 19)
 - Today is a 6 - The most important lesson you can learn is self-discipline. You get to practice now by obeying somebody else - cheerfully, if possible.

Taurus (April 20-May 20)
 - Today is an 8 - Instead of traveling to visit friends, have them come to you. They'll go for that idea, because your hospitality is world-renowned.

Gemini (May 21-June 21)
 - Today is a 5 - With careful planning, and by sticking to your budget, you can get a pleasant surprise. You may end up with more than you thought.

Cancer (June 22-July 22)
 - Today is an 8 - Romantic talk is nice, of course, but that's not where love really lies. Actions speak louder than words, & they might even be more trustworthy.

Leo (July 23-Aug. 22)
 - Today is a 5 - Although you're not the only one on the job, they all look to you for advice. You're the one who believes it can happen. Now, tell them how!

Virgo (Aug. 23-Sept. 22)
 - Today is an 8 - Find some time for personal pleasures in your busy day. Schedule a date with the one you love or with a likely applicant.

Libra (Sept. 23-Oct. 22)
 - Today is a 6 - New responsibilities you've taken on lead to new status and new friends. Those fringe benefits are nice, because it'll be a while before new money comes.

Scorpio (Oct. 23-Nov. 21)
 - Today is an 8 - Encouragement from a loved one helps, and you may be taking a risk but you can succeed. Do what you love, and do it well.

Sagittarius (Nov. 22-Dec. 21)
 - Today is a 5 - Is there a toy you've been thinking about, or a special vacation to take? Put money down on a gift for yourself, for being such a good kid.

Capricorn (Dec. 22-Jan. 19)
 - Today is an 8 - Your best course of action should be obvious, especially regarding money. To increase your future bounty, invest in a safe & time-honored way.

Aquarius (Jan. 20-Feb. 18)
 - Today is a 6 - It should soon be obvious who has exactly what you lack. You may have to pay, but that's OK if this helps you generate work.
