

Carolina Supports Israel.

"We the undersigned, members of the University of North Carolina at Chapel Hill community, express our commitment to the State of Israel. In pledging our support to the government, people, and culture of Israel, we also voice our commitment to the high ideals of democracy she represents. We recognize the history of the close relationship between the United States and Israel and we are further committed to ensuring these ties, which are bound by the mutual beliefs of freedom and democracy. We declare that Israel has the right to exist free from terrorist attacks."
