HOROSCOPES

Today's Birthday (Sept. 4)

Don't stress if you're asked to accept a result that's not quite what you had in mind. You'll soon be more interested in love and less worried about the little things.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

Virgo (Aug. 23-Sept. 22)

- Today is a 7 - With Mercury, your ruling planet, still retrograde in your sign, it's a little more difficult to get the story straight. Check and double-check before passing along any news.

Libra (Sept. 23-Oct. 22)

- Today is a 5 - It's quite possible that you don't understand the lesson you're being taught, just because it doesn't make much sense now doesn't mean that it never will. Hang in there.

Scorpio (Nov. 23-Nov. 21)

- Today is a 7 - Don't make promises you can't keep. There's an easy way around this: Carefully word your promises so that you can keep them.

Sagittarius (Nov. 22-Dec. 21)

- Today is a 6 - Others may not agree with you, but you're making a good impression. Your insistence on revealing the truth will turn out to be profitable.

Capricorn (Dec. 22-Jan. 19)

- Today is a 7 - Conditions get more favorable for travel as the day progresses. Tomorrow & the next day will be even better. That should be all the excuse that you need.

Aquarius (Jan. 20-Feb. 18)

- Today is a 6 - Your list of obligations keeps getting longer. That gives you a good excuse to pass up an invitation to go someplace you really can't afford.

Pisces (Feb. 19-March 20)

- Today is a 7 - Conditions are changing in your favor already, as you knew they would. Try not to get too impatient. Tomorrow will be more fun.

Aries (March 21-April 19)

- Today is a 4 - Your recent advances may have shaken your confidence, but you won't be down for long. Reevaluate your plans. It's now easier to see what you really need.

Taurus (April 20-May 20)

- Today is a 7 - You don't cave easily under pressure, and most likely won't again. A treat you can afford will be much more than the one you can't have.

Gemini (May 21-June 21)

- Today is a 4 - A recent setback may have shaken your confidence, but you won't be down for long. Reevaluate your plans. It's now easier to see what you really need.

Cancer (June 22-July 22)

- Today is a 7 - Although your schedule is disrupted, you can make the necessary adjustments. Don't argue with the way things are. Adapt.

Leo (July 23-Aug. 22)

- Today is a 5 - You hate to feel like there's not quite enough to go around. To avoid that sensation in the future, stash away a little more now.
