

Judge grants Cramer access to APS files

BY SARAH RABIL AND DAN SCHWIND STAFF WRITERS

DEC. 1 — Almost 12 months after his last visit, Elliot Cramer returned to the Orange County Animal Shelter on Monday to meet with officials of the Animal Protection Society of Orange County.

Court ruling that required that APS grant Cramer and fellow plaintiff Judith Reitman access to APS' files. Cramer and Reitman requested access to the files in their joint lawsuit against the society.

"We had a very satisfactory meeting with them," Cramer said. "I think we had a congenial and useful discussion."

In particular, Cramer said, the pair was seeking access to account-

ing records, financial reports, personnel files and membership lists from the last several years.

Cramer said he is very satisfied with his newly granted privilege, though the court order prevents him from revealing the contents of the personnel and financial records.

"We certainly found information that supports the concerns we have raised over the last year," he said.

Monday marked the first time

Cramer was allowed in the shelter since APS officials accused him of trespassing on their property.

"The last time I walked through these doors was January," Cramer said. "But I feel no animosity toward APS. ... I still am willing to renew my membership and do what I can."

The suit began earlier this year when Cramer and Reitman tried to run for positions on the APS board of directors but were denied when

board members changed the group's bylaws so only board members could vote in elections.

APS countered, saying that it made the change legally according to its bylaws.

Cramer and Reitman said APS officials violated these bylaws again when it denied their requests to renew their APS memberships.

Cramer said the board's actions were an effort to prevent the two

from running for high positions in the group.

Both originally decided to run for the posts to launch reforms within the group, which they said was not managing the shelter properly.

The decision came after several months of delays and changes in hearing dates.

HOROSCOPES

Today's Birthday (January 6)
You do pretty well on your own. But this year, working alone is less of an option. You'll get to develop experience in working with a partner.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

Capricorn (Dec. 22-Jan. 19)
- Today is a 7 - If talking still isn't working well, try showing what you mean. A picture is worth a thousand words, maybe more in this situation.

Aquarius (Jan. 20-May 18)
- Today is a 7 - Looks like you've been called into action, with a challenge awaiting you. The pay may not be predictable, but don't let that damp your style. Unforeseen benefits will accrue.

Pisces (Feb. 19-March 20)
- Today is an 8 - Your heart may be full to overflowing & get torn by others' demands. You'll have to set priorities to make sure each one gets enough of your time.

Aries (March 21-April 19)
- Today is a 6 - It seems as if everybody wants a little bit of your time. Don't let them rip you to pieces while fighting over you. Stay in control. Set priorities.

Taurus (April 20-May 20)
- Today is a 7 - You'll find it easier to learn new material. Devote a good chunk of your time to studying over the next few days.

Gemini (May 21-June 21)
- Today is a 7 - You could soon encounter an opportunity to increase your income. This won't necessarily require more work, but it does require some finesse. Be respectful.

Cancer (June 22-July 22)
- Today is a 7 - You're pretty sure of yourself, but you won't get a free ride. You'll have to prove why your position is right to a couple of wild-eyed skeptics. Stay cool.

Leo (July 23-Aug. 22)
- Today is a 7 - You have a lot of hidden strength, so don't let yourself be depressed by a conflict over what you ought to do. However, Relax while they work it out.

Virgo (Aug. 23-Sept. 22)
- Today is a 7 - Your friends give you a lot of support and some very good advice. Don't spend too much time talking to them, however. That would cause trouble at home.

Libra (Sept. 23-Oct. 22)
- Today is a 7 - No more excuses. You'll have to report on what you've done. Creative projects and phone calls count. If they'll help bring money in. Think of a way.

Scorpio (Oct. 23-Nov. 21)
- Today is an 8 - The time is almost right for your escape. There's an important job to be done first, but that doesn't have to stop you. The outcome is good.

Sagittarius (Nov. 22-Dec. 21)
- Today is a 7 - You have a way with words, but that doesn't mean you can always get whatever you're asking for. Sometimes the other person can't hear you.
