## HOROSCOPES

Today's Birthday (January 20)  
Study history this year, yours and everybody else's, and come up with a brilliant scheme that takes care of all your problems. You might want to enlist the assistance of a wise professional or two. That's not cheating.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

**Aquarius (Jan. 20-Feb. 18)**  
- Today is a 6 - You should almost be able to see the light at the end of the tunnel. No, it's not a train coming; it's your next big chance to make things turn out right. Prepare.

**Pisces (Feb. 19-March 20)**  
- Today is a 7 - You won't be devoting quite as much time to your social life for a while. You'll want to spend more time alone, contemplating and making plans.

**Aries (March 21-April 19)**  
- Today is a 6 - You may now find it slightly easier to speak in words the boss understands. But don't take any liberties. Be respectful, or you'll encounter a setback. No liping off.

**Taurus (April 20-May 20)**  
- Today is an 8 - You'll soon be held accountable, but that shouldn't worry you. You may not like the approach this person takes, but don't lose your temper. Be cool.

**Gemini (May 21-June 21)**  
- Today is a 6 - You'll soon notice that you need more space to play. You need to try out a fantasy or two. But don't run off and do it just yet.

**Cancer (June 22-July 22)**  
- Today is an 8 - Listen intently when somebody else tries to tell you how to run your life. He or she actually has some good ideas and might be able to help you finance the venture.

**Leo (July 23-Aug. 22)**  
- Today is a 6 - You're getting a lesson in perseverance, whether you want to or not. You're already past the phase where you're tired of doing this, yet you're still not done. Keep plugging away.

**Virgo (Aug. 23-Sept. 22)**  
- Today is an 8 - Hopefully you have your domestic situation just about squared away. You'll be so busy for the next few weeks, you won't have much time for domestic matters. Spend a little extra money now.

**Libra (Sept. 23-Oct. 22)**  
- Today is a 5 - You'll feel better soon, but it might be best to catch up on your rest. Make yourself comfortable and do something nice for yourself and the whole family.

**Scorpio (Oct. 23-Nov. 21)**  
- Today is an 8 - Your luck continues to hold, but you'll soon run into problems. Take advantage of this calm before the storm by learning as much as you can.

**Sagittarius (Nov. 22-Dec. 21)**  
- Today is a 6 - You may not see any differences yet, but you're into a whole new phase. Your curiosity will grow by leaps and bounds, and you'll leave old worries behind.

**Capricorn (Dec. 22-Jan. 19)**  
- Today is an 8 - You're about to enter a phase where you'll be focusing on bringing in money. This should be easier with the self-confidence that you've just acquired. Use it.
