# Classified Advertising

FRIDAY,  
6 JANUARY 23, 2004

The Daily Tar Heel

**Announcements**

**NOTICE TO ALL DTH CLASSIFIED CUSTOMERS:** Please read your ad the first day it runs to check for any errors. Call us by noon and we'll change it for the next page. We are responsible for first run errors only! We will stop your ad any time, but no refunds or credits for stopped ads will be provided. Deadlines are NOON one business day prior to publication for classified ads. We publish each day classes are in session. A university holiday is a DTH holiday too (i.e., this affects deadlines). We reserve the right to reject, edit or reclassify any ad deemed inappropriate, obscene, illegal or otherwise objectionable. Acceptance of ad copy or pre-payment does not imply agreement to publication. No advertising for housing or employment, in accordance with federal law, can discriminate on the basis of sex, race, creed, color, religion, national origin, handicap, marital status.

**HOROSCOPES**

**Today's Birthday (January 23)**  
You're tough and getting tougher, but that's partially because you have to be due to circumstances that seem beyond your control. Don't bet too heavily on your own abilities, or on the abilities of your teammates, either. The outcome could be a big surprise to everyone. Keep the faith.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

**Aquarius (Jan. 20-Feb. 18)**  
- Today is an 8 - You're the life of the party, the inspiration, the genius, the soul. Now, your toughest assignment is to remember to be humble, too.

**Pisces (Feb. 19-March 20)**  
- Today is a 7 - Has your conscience been nagging at you? Well, listen to what it's saying. It's about something you promised to do. Better now than later, that's for sure.

**Aries (March 21-April 19)**  
- Today is an 6 - You'll be entering a more thoughtful phase over the next few days, so relax. It's not a good time to travel or to start new projects. Finish old ones instead.

**Taurus (April 20-May 20)**  
- Today is an 8 - As the day progresses, one who's been as cold as ice could finally melt, thanks largely to your kindness and your work behind the scenes. Love is the prize.

**Gemini (May 21-June 21)**  
- Today is a 7 - The more you learn, the more you earn - that's the idea. Don't let yourself go off on a tangent. Focus on something you can use.

**Cancer (June 22-July 22)**  
- Today is a 7 - You've had a tendency to get emotional in the past, especially where money is concerned. If you can develop a more analytical attitude, you'll make much more money and suffer less stress. Practice.

**Leo (July 23-Aug. 22)**  
- Today is a 7 - You're actually getting stronger, but perhaps not in a way you expect. The next lesson for you to learn is letting somebody else run the show (to produce the results you're after, of course).

**Virgo (Aug. 23-Sept. 22)**  
- Today is a 7 - You have a dear loved one who understands you, and with whom you can share any problem that might be distracting you. Do that, and then get back to work.

**Libra (Sept. 23-Oct. 22)**  
- Today is a 7 - Once you've made the commitment, providing the service is easy. It doesn't seem like drudgery at all. It's more like giving them a gift.

**Scorpio (Oct. 23-Nov. 21)**  
- Today is an 8 - You'll be so proud once a tough job is done, you'll soon forget recent frustrations. You're going into a cuddly phase, so make preparations.

**Sagittarius (Nov. 22-Dec. 21)**  
- Today is a 7 - Gather information that you can use for an upcoming household project. You'll save money by doing the job yourself.

**Capricorn (Dec. 22-Jan. 19)**  
- Today is a 7 - Let your imagination expand to include wonderful possibilities. It doesn't matter if you think yourself unworthy. You could be wrong about that.
