

Best Place to Shop on the Web Tie - Amazon.com & eBay

Whether you want to make the shopping experience a thrifty cliffhanger or do it the old-fashioned way, there's no beating Amazon and eBay. The pair of online commerce stalwarts will be around until the next Ice Age — even after the second coming of puppet-led juggernaut Pets.com.

Favorite Place to People-watch Winner: The Pit

Fire-and-brimstone ministers, shirtless crew-team members, bluegrass bands, sumo wrestlers, policy-pushing politicians, impromptu a cappella groups or just your friends: pick one and it's in the Pit.

Most/Least Effective Pick-Up Line See below

Since the international language of college students is alcohol, "Buy you a drink?" is the ultimate konichiwa. "Is there a string on your pants?" is a clunker worthy of the parachute days of MC Hammer. And don't even bother resurrecting that old, "What's your sign?" Also, never ask, "Do you go to UNC?" It's a bar. Not the census.

Most Interesting Mixed Drink Winner: The Holy Grail

Saying "Players" doesn't exactly conjure up "fruity" images, but the club's mysterious concoction is as delicious and fruity as they come. Not since the days of the Flaming Moe has mystery booze been so good.

Best Meal After Midnight Tie - Hector's & Cosmic Cantina

Hardee's "low-carb burgers" are far from revolutionary. For years, UNC students have been gobbling down Hector's pita-wrapped patties into the wee hours of the morning. Cosmic Cantina wins again for obvious reasons — cheap, late, great.
