Our chef is a procrastinator.

But, we're okay with it now. We've learned that just because he doesn't want to press your fresh tortilla until you walk in the door, it doesn't make him a bad person. In fact, our customers have grown used to seeing our tortilla press cook-up their tortillas right before their eyes. So when you see our chef, don't be too hard on him, he's waiting on you!
