Rep. David Price to Speak at UNC Chapel Hill

Congressman David Price will speak at the University of North Carolina at Chapel Hill on September 20, 2004 as part of the 80th Anniversary celebration of the Odum Institute for Research in Social Science.

Rep. Price will discuss the role of social science research in advancing a national agenda. The program begins at 4:00pm in the Great Hall of the Carolina Student Union. Other speakers include Chancellor James Moeser and Kenneth Bollen, Odum Institute director.

A reception celebrating the institute's 80th anniversary will follow Rep. Price's talk and question and answer session.

The event is free and open to the public, but registration is required by September 13, 2004. Please call 962-3061 to register.

Founded by Howard W. Odum in 1924 for the "cooperative study of problems in the general field of social science," the Odum Institute is the oldest university-based interdisciplinary social science research institute in the country. It offers many diverse services to support the research and training of social science faculty and graduate students. The Institute is housed in Manning Hall, located on historic Polk Place on the UNC Chapel Hill campus.

HOROSCOPES

Today's Birthday (September 2)
You're assertive, decisive and, of course, a perfectionist. Those are among the reasons you'll be chosen to help with a difficult task.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

Virgo (Aug. 23-Sept. 22)
- Today is a 7 - The information you've been seeking is now close at hand. Before long you'll have time to go out and play. Make plans to visit with friends.

Libra (Sept. 23-Oct. 22)
- Today is a 6 - A sometimes-controversial conversation about the best way to allocate the available funds eventually works out well. Don't be afraid.

Scorpio (Oct. 23-Nov. 21)
- Today is an 8 - Finishing up a difficult task interferes with your travel plans. Tomorrow is better for excursions anyway, especially romantic ones.

Sagittarius (Nov. 22-Dec. 21)
- Today is a 7 - Complete your venting and complaining, and get yourself back on track. It's important to clear all that garbage out of your mind so you'll be more effective. Besides, tomorrow the workload's intense.

Capricorn (Dec. 22-Jan. 19)
- Today is a 7 - You're motivated to make improvements, but it's not a comfortable feeling. You may even be stressed and grumpy. Tomorrow will be better.

Aquarius (Jan. 20-Feb. 18)
- Today is a 6 - Keep yourself on a strict budget. Your income is unstable now. Stash away more than enough so you can get into your research.

Pisces (Feb. 19-March 20)
- Today is a 7 - A person who's in a position of authority is facing severe challenges. If you can help find a way around any of these problems (and you can), you'll become quite valuable. You might even become indispensable.

Aries (March 21-April 19)
- Today is a 5 - Compulsive attention to details may be a sign of a troubled mind, but folks who know how to do that drill often ensure their success. Don't make fun of a picky person. Pay attention and learn.

Taurus (April 20-May 20)
- Today is a 7 - Some things are best kept private within the family. Set up that policy if you haven't already, and you can get the inside story on what really happened. This ought to be interesting.

Gemini (May 21-June 21)
- Today is a 6 - Ask questions of people who have the skills and experience you lack. The learning part is enjoyable, but you'd better pay attention. You'll get into the "doing" phase probably by tomorrow.

Cancer (June 22-July 22)
- Today is a 7 - Your patience is being tested, and hopefully you're standing up to the pressure. Although you have exquisite manners, you're tough - undoubtedly tough.

Leo (July 23-Aug. 22)
- Today is a 7 - The expense turns out not to be as high as you feared for what you get. That's partially due to your good sense and the excellent deal you obtain.
