Horoscopes
Today's Birthday (September 22)
An issue that's been troubling you comes to the forefront this year. This is a good thing. Forgive and heal, and you'll progress to greater success.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

Virgo (Aug. 23-Sept. 22)
- Today is a 7 - A loved one has a wound to talk about that's hard to heal. Just listening is a gift you can give. Don't try to solve the problem. The healing comes when your loved one does that.

Libra (Sept. 23-Oct. 22)
- Today is a 5 - The sun's coming into your sign, and it'll be here about four weeks. Don't race right off and do things yet. Keep working on your plan.

Scorpio (Oct. 23-Nov. 21)
- Today is a 7 - You'll want to allocate a little more time for spiritual inquiry over the next few weeks. Your own intuition is excellent, but the assignment now is to read books. Learn what you don't know you don't know.

Sagittarius (Nov. 22-Dec. 21)
- Today is a 6 - You'll be able to tell, pretty soon, that the hardest part is over. You'll be acknowledged for taking a righteous stand. Critics will fold, and supporters show up where you never expected. There's even money coming in. Accept it all graciously.

Capricorn (Dec. 22-Jan. 19)
- Today is an 8 - Although you're about to take on new responsibilities, you'll still have time for valuable advice from a wise teacher. Schedule it.

Aquarius (Jan. 20-Feb. 18)
- Today is a 6 - In some respects, the pressure is increasing the next two days. In others, you're entering an expansive phase for about four weeks. Make the forces work together.

Leo (July 23-Aug. 22)
- Today is a 6 - You may be to do something that you think is below the status you've achieved. Let go of your ego, and do the job well. The money is just as green.
