HOROSCOPES

Today's Birthday (November 15)
A voyage of a thousand miles begins not just with one step. Before you launce, you need to do lots of preparation and practice. That's what this year is about.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

Scorpio (Oct. 23-Nov. 21)
- Today is an 8 - The farther you go, the more you can see there still is to learn about. Do the research, even if it's a little scary at first.

Taurus (April 20-May 20)
- Today is a 7 - A question comes up that requires you to go outside to find the answer. This may be annoying, but probably isn't life-threatening. Enjoy.

Sagittarius (Nov. 22-Dec. 21)
- Today is a 6 - Go after the money that you've been promised, even if it's hard. Persistence pays, both figuratively and literally.

Gemini (May 21-June 21)
- Today is a 7 - The question now is, what do you need, and what can you do without? Be honest, so you don't waste good money on stuff that's superfluous.

Capricorn (Dec. 22-Jan. 19)
- Today is an 8 - Your wisdom and perseverance are obvious to others. You're tough and even when wounded, you always come back swinging. Take the credit.

Cancer (June 22-July 22)
- Today is an 8 - You'll be up against a critic, whereas you'll have to defend your position. Hopefully you're well prepared with your own experience.

Aquarius (Jan. 20-Feb. 18)
- Today is a 5 - OK, get back to business now, and reassess your systems. Do some fine-tuning, with new information and materials you've collected.

Pisces (Feb. 19-March 20)
- Today is a 7 - Connect with people who can help you figure out what to do next. A good planner and a hard worker are more than welcome on your team. You keep track of the details.

Virgo (Aug. 23-Sept. 22)
- Today is a 7 - Connect with people who can help you figure out what to do next. A good planner and a hard worker are more than welcome on your team. You keep track of the details.

Leo (July 23-Aug. 22)
- Today is an 8 - A job you've been avoiding, and with good reason, won't be denied. If you really can't bring yourself to do it, hire somebody who can.

Aries (March 21-April 19)
- Today is a 5 - An official reminds you of restrictions you may have forgotten, or simply ignored. Actually, you'll get a whole lot farther ahead playing by the rules.
