**HOROSCOPES**

Today's Birthday (December 3)  
You have awesome powers this year. Use them to further your goals, careerwise, and also to benefit the greatest number of people.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

**Sagittarius (Nov. 22-Dec. 21)**  
- Today is an 8 - You'll be able to get a lot farther intellectually than physically. That's always the case, but it's also a first step in getting the rest of you there.

**Capricorn (Dec. 22-Jan. 19)**  
- Today is a 5 - Don't talk about money or anything else that might be a sensitive subject. The odds for a misunderstanding are high. Why chance it? Listen instead.

**Aquarius (Jan. 20-Feb. 18)**  
- Today is an 8 - You don't have to be the team leader to be in control. You're the brains behind the operation, but stay out of the spotlight.

**Pisces (Feb. 19-March 20)**  
- Today is a 5 - A person who's very well organized is good to have on your team. It shouldn't be hard to find one now. It might be hard to avoid.

**Aries (March 21-April 19)**  
- Today is a 10 - Play first, and you might as well eat your dessert first, too. Later on, life gets more complex and a whole lot busier.

**Taurus (April 20-May 20)**  
- Today is a 5 - Once you've made the big decision, there'll be more time to relax. Snuggling is recommended, by way of celebration.

**Gemini (May 21-June 21)**  
- Today is an 8 - Don't confine your studies to philosophy. Learn something you can put to use, in the privacy of your own home.

**Cancer (June 22-July 22)**  
- Today is a 6 - Finish up the job that's been taking so much of your time. Plan to spend the next two days learning and relaxing, but not necessarily in that order.

**Leo (July 23-Aug. 22)**  
- Today is an 8 - Make sure your loved ones know how much you care. Don't put that off. For the next few days, you'll be too busy raking in the money.

**Virgo (Aug. 23-Sept. 22)**  
- Today is a 6 - Go back through your old stack of stuff and get all the valuables out. You don't want to throw any items of significance away accidentally. That would be cold.

**Libra (Sept. 23-Oct. 22)**  
- Today is an 8 - Your cheerful attitude helps others figure out what to do next. Help them sort through the options so the leader can decide, with a little guidance from you.

**Scorpio (Oct. 23-Nov. 21)**  
- Today is a 5 - The most difficult part will be over soon, and you'll be able to relax. Gather with friends who understand you well, without having to be told.
