Employment applications are now available in Room 207 Steele Building. **Applications are due March 9, 2005.**

**HOROSCOPES**

Today's Birthday (January 26)  
You can draw up the plans and let somebody else do the building. This is a joint project. Together you'll get exponentially farther.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

**Aquarius (Jan. 20-Feb. 18)**  
- Today is a 6 - Somebody else may be able to get through where you've been turned aside. This doesn't need to be a problem. Delegate, and then get on to other things.

**Leo (July 23-Aug. 22)**  
- Today is an 8 - Follow through on the innovations you've recently indulged. You'll get to the part where the money comes in pretty soon, don't worry about that.

**Pisces (Feb. 19-March 20)**  
- Today is a 4 - Concentrate on providing the very best service you can, and do it proudly. You're developing a reputation that's worth more than its weight in gold.

**Aries (March 21-April 19)**  
- Today is a 9 - Meetings should go well, and it should be relatively easy to reach consensus. Everybody's in the mood to decide, so they can get to work.

**Taurus (April 20-May 20)**  
- Today is a 5 - Add the finishing touches to make your home just the way you want it. Get ready to entertain, so you can do it spontaneously.

**Gemini (May 21-June 21)**  
- Today is an 8 - If you can only learn the language before you go over there, you'll be amazed at how many doors will open. And, yes, you can.

**Cancer (June 22-July 22)**  
- Today is a 5 - Collect as much as you can when the opportunity presents. Work quickly and be assertive, and gather up to mend something old.

**Virgo (Aug. 23-Sept. 22)**  
- Today is a 5 - Follow through on all those promises you made, one way or another. If you can't pay the debt in full, at least make an installment on it.

**Libra (Sept. 23-Oct. 22)**  
- Today is an 8 - A friend can teach you a couple of things that you'll find very useful. You'll be more efficient when you have more technical expertise.

**Scorpio (Oct. 23-Nov. 21)**  
- Today is a 5 - Collect up all the little jewels that have been scattered around. Resist the urge to be wasteful. Although there's plenty now, this may have to last you a while.

**Sagittarius (Nov. 22-Dec. 21)**  
- Today is an 8 - You may get the chance to be the voice of objectivity. A couple of people you know are having trouble finding a compromise. Lend your wisdom to those who need some.

**Capricorn (Dec. 22-Jan. 19)**  
- Today is a 5 - Keep looking for bargains in all the likely places, including sales at the better stores and catalogs, and even in your own closets. It's not cheating to mend something old.
