

▶ Asset allocation may
not be the first thing
on your mind.

We want to help keep it that way.

The last thing you want to worry about is whether your retirement portfolio is balanced with the right mix of investments. Fortunately, with Fidelity behind you, your anxiety can be reduced. That's because a complimentary portfolio review with a Fidelity Retirement Counselor can make balancing your portfolio easier. And it might just leave you feeling more confident about your investments. Schedule your review and get the answers you need to help stay on track for your retirement goals. **Call 1-800-642-7131 today.**
