**HOROSCOPES**

**Today's Birthday (March 2)**  
You have charm and patience this year, and an extra helping of common sense. It's a good time to consider important options, and make commitments that will last.

**Pisces (Feb. 19-March 20)**  
- Today is a 9 - You're the one with the imagination. Somebody else has more experience, and another person's good at planning. You need them and they need you.

**Aries (March 21-April 19)**  
- Today is a 5 - You're a person who's usually "what you see is what you get." Today, however, discretion is advised. Don't talk about your money, or lack of it.

**Taurus (April 20-May 20)**  
- Today is an 8 - Listen, and take into consideration all the creative suggestions you're offered. And,
