HOROSCOPES

Today's Birthday (April 4)
Others look to you for leadership this year. Rely on your experience, and tactics that worked before. Don't lose momentum when you make a mistake. You don't have time for that.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

Aries (March 21-April 19)
- Today is an 8 - Conditions are good for meeting with others to figure out what to do next. You've got the idea, they know what to do, and you're on your way.

Taurus (April 20-May 20)
- Today is a 5 - Take your time as you decide which items to buy, and which to do without. You have a talent for setting priorities, especially where money's concerned.

Gemini (May 21-June 21)
- Today is a 9 - Romance and travel are both highly favored. You're also very good at soaking up information and teaching it, practically at the same time. This ought to be fun.

Cancer (June 22-July 22)
- Today is a 4 - It'll take a while to learn how to use the latest technology, but that's nothing compared to the time you'll save. Get into it.

Leo (July 23-Aug. 22)
- Today is a 9 - True love is based more on substance than on symbolism, so you know. Choose the person who makes you think. To be your permanent partner. The confrontation will keep you sharp.

Virgo (Aug. 23-Sept. 22)
- Today is a 4 - You're pretty good with electronics and other kinds of new technology, after you get into it. Be patient with yourself.

Libra (Sept. 23-Oct. 22)
- Today is an 8 - A meaningful conversation with an exciting person can help you discover the next step in your spiritual evolution. Study religion from a scientific point of view, and vice versa.

Scorpio (Oct. 23-Nov. 21)
- Today is a 5 - There's lots of activity going on at your place, and creativity is required. It's good to have a plan, of course, but don't get too attached to it.

Sagittarius (Nov. 22-Dec. 21)
- Today is an 8 - You're a rather independent type, but lately you may find you've been in the mood to make a commitment. Go ahead - sooner, the better.

Capricorn (Dec. 22-Jan. 19)
- Today is a 5 - Cleaning out your closets is a chore you don't relish, but this time it could be quite profitable. Keep sorting and filing and putting things away, and you'll be well rewarded.

Aquarius (Jan. 20-Feb. 18)
- Today is a 9 - Your investigation goes very well now, with one thing leading to another. Continue to seek the truth and it shall be revealed to you.

Pisces (Feb. 19-March 20)
- Today is a 4 - The work you're doing behind the scenes is making a good impression. You're not asking for fame or glory, and that adds to your credibility.
