

I always:

- grade on a curve.
- trust my retirement planning to the pros.

Should all of your retirement savings be in one type of investment? Chances are they shouldn't. That's why Fidelity created Freedom Funds. A simple, sophisticated way to help make the most of your retirement savings. Simple, because all you do is select the fund that is closest to the date you want to retire. Sophisticated, because the portfolio manager gradually adjusts the allocation to become more conservative as the fund's target retirement date approaches. Shouldn't you see what a Freedom Fund could do for you? **Call 1-800-642-7131 to schedule a free, one-on-one consultation with your local Fidelity Retirement Counselor to find out.**
