HOROSCOPES

Today's Birthday (December 5th)
You're full of ideas, but now it's time to put a few of them to work. To do this, you'll need to study how machines do what they do.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

Sagittarius (Nov. 22-Dec. 21)
- Today is a 9 - Your list of questions is growing. Be careful about when you ask them and of whom. It's important to keep a secret.

Capricorn (Dec. 22-Jan. 19)
- Today is a 5 - Be careful with your money. It'll be easy to think you have more than you do. Don't give away a secret, either.

Aquarius (Jan. 20-Feb. 18)
- Today is an 8 - Don't get too wacky or over-enthusiastic in your expectations. A certain amount of good old common sense is required.

Pisces (Feb. 19-March 20)
- Today is a 5 - OK, it's back to that stack of stuff. No more procrastination. Postpone an outing until you've got your workplace back in order again.

Aries (March 21-April 19)
- Today is a 9 - It's good to meet with friends and associates. Kick some ideas around. Don't discuss finances yet, however, and definitely don't offer to pay.

Taurus (April 20-May 20)
- Today is a 5 - There's a difference of opinion about priorities. Make sure you let the others know what's most important to you.

Gemini (May 21-June 21)
- Today is an 8 - Travel conditions seem to be improving, but that's not really so. Resist the urge to run away from a tough job. Face it, & then go.

Cancer (June 22-July 22)
- Today is a 6 - Figure out your lists of what you want and what you need. Anything that turns up on both lists is the obvious list choice.

Leo (July 23-Aug. 22)
- Today is an 8 - Anticipate disagreement, and encourage people to say exactly what they're thinking. It's the way you'll reach compromise.

Virgo (Aug. 23-Sept. 22)
- Today is a 5 - Over the next few days, you'll be too busy to do much research. If there's something you have to find out, call for help.

Libra (Sept. 23-Oct. 22)
- Today is an 8 - Dreams are abundant, but resources are rather scarce. It seems. Don't let your can-do have whatever you want in your dreams.

Scorpio (Oct. 23-Nov. 21)
- Today is a 5 - Connections are good for making lists. Start writing down your plans. They'll change, but this will give you a framework to build upon.
