**HOROSCOPES**

**Today's Birthday (December 7th)**  
Your compulsion this year is to rearrange things at home. You might even decide to move to a whole new place, to get comfortable.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

**Sagittarius (Nov. 22-Dec. 21)**  
- Today is a 7 - Fix up your place with the help of items you've long kept hidden. Bring them out slowly, to retain their value.

**Capricorn (Dec. 22-Jan. 19)**  
- Today is an 8 - Postpone travel and new adventures until you've finished the job you've already agreed to do. It'll be more fun later, too.

**Aquarius (Jan. 20-Feb. 18)**  
- Today is a 7 - An older, wealthier person is feeling much more generous now. Go ahead and ask for whatever you want. You'll get some of it.

**Pisces (Feb. 19-March 20)**  
- Today is an 8 - All of a sudden the sun comes out from behind the clouds. The world's a wonderful place again. Share this moment with your best friend.

**Aries (March 21-April 19)**  
- Today is a 7 - Finish up what you promised. You gain a lot more than the satisfaction you get by marking the job done. You'll win valuable kudos.

**Taurus (April 20-May 20)**  
- Today is a 7 - Your friends are eager to help, and have lots of imaginative suggestions. Rely on help from them, rather than digging into savings.

**Gemini (May 21-June 21)**  
- Today is a 6 - Listen respectfully to a person with unusual ideas. If this works, you stand to benefit, so check it out.

**Cancer (June 22-July 22)**  
- Today is an 8 - Postpone travel and new adventures until you've finished the job you've already agreed to do. It'll be more fun later, too.

**Leo (July 23-Aug. 22)**  
- Today is a 7 - It's good to know how much money you have, and how to get more if you need it. Take on a second job instead of going into debt.

**Virgo (Aug. 23-Sept. 22)**  
- Today is a 7 - There's a flurry of activity over the next few days. The overall outcome is good; however, so don't get stressed out about it.

**Libra (Sept. 23-Oct. 22)**  
- Today is a 7 - Creative work pays well now, so crank out as much as you can. The stuff you make for your own house counts as money saved.

**Scorpio (Oct. 23-Nov. 21)**  
- Today is a 7 - Encourage creative ideas & a loved one comes up with a doozy. Go along with the program & you'll have a wonderful time.
