HOROSCOPES

If March 1st is your Birthday...
 You're the brains. Don't tell everybody what you're thinking. They'll judge you by results. They don't have to know how you get your ideas. In private, use prayer, meditation and requests for miracles.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

Aries (March 21-April 19)
 Today is a 7 - You're very attractive now but you feel very busy with work. This is not necessarily bad, if you've already finished your chores.

Taurus (April 20-May 20)
 Today is a 6 - The fun part of this project is you're gaining as you spend. Invest in a place you can live now, and turn it into money later.

Gemini (May 21-June 21)
 Today is a 6 - You'll have more time to study now, so don't waste it running around. Have the pizza delivered and get back to work.

Cancer (June 22-July 22)
 Today is a 8 - You can go shopping, but only get things that make your future more secure. In other words, buy things that will ultimately reduce your expenses.

Leo (July 23-Aug. 22)
 Today is a 7 - Don't spend a lot, but do show everybody your appreciation. It means more to them than you know, but you'll learn as you go along. Besides, it's fun.

Virgo (Aug. 23-Sept. 22)
 Today is a 5 - Keep thinking about the reward you'll give yourself when this project's done. Don't wait around for somebody else's praise. Take care of your own.

Libra (Sept. 23-Oct. 22)
 Today is a 7 - A remarkable discovery disrupts your work routine. Make a change in priorities. Set aside what you were doing, for now.

Scorpio (Oct. 23-Nov. 21)
 Today is a 7 - Provide the necessary services with a smile and a friendly manner. Others want to pay even more than you're asking for.

Sagittarius (Nov. 22-Dec. 21)
 Today is a 7 - You're getting closer to solving the mystery. Keep it to yourself. Others want to know what you know, but they aren't all on your team.

Capricorn (Dec. 22-Jan. 19)
 Today is a 7 - Don't talk about your wins or losses yet, you're not finished. You're in a position to spend more than you have. If you do that, be careful.

Aquarius (Jan. 20-Feb. 18)
 Today is a 7 - Training a helper at first seems to cost you more than it's worth. Don't give up, this turns out to be a good long-term investment.

Pisces (Feb. 19-March 20)
 Today is an 8 - Their's more work coming in, and this time you're ready for it. You have a routine in place that will make the load easier to process, and more profitable.
