HOROSCOPES
 If March 5th is Your Birthday...
 You're plagued by a critic this year, demanding perfection. There's no escaping. It's inside your head, it's your own alter ego. Might as well learn to be perfect.
 To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

Aries (March 21-April 19)
 Today is a 5 - You're busy, but may not feel as productive as you'd like. Don't worry about it; you're gaining valuable experience.

Taurus (April 20-May 20)
 Today is a 6 - You'll be changing your schedule in the coming week. Be more on task when you're away from home and spend more time with your family.

Gemini (May 21-June 21)
 Today is a 5 - Controversy rages, making it difficult for you to get the real story. Be objective, and keep asking questions.

Cancer (June 22-July 22)
 Today is an 8 - Should you go or should you stay? Or should you go shopping, from the privacy of your own computer? The latter saves you time, money and gasoline.

Leo (July 23-Aug. 22)
 Today is a 7 - The good news is the money's coming in. The bad news is that there's not enough to gamble or buy expensive toys. Pay the bills first.

Virgo (Aug. 23-Sept. 22)
 Today is a 6 - There's plenty to keep you busy, but are you being effective? Or are you simply spinning your wheels without making any progress? Better check your results.

Libra (Sept. 23-Oct. 22)
 Today is a 6 - You're working on a new idea, if you're in synch with present conditions, you're very creative now. Don't worry, the money will come later.

Scorpio (Oct. 23-Nov. 21)
 Today is a 8 - You're doing well financially, but everything's not that easy. Angry words could follow a silly misunderstanding. Stay as calm as you can if it's not your fault.

Sagittarius (Nov. 22-Dec. 21)
 Today is a 7 - A critical older person is about to dine your ribs. Over the attention to somebody else, and slip out the back way.

Capricorn (Dec. 22-Jan. 19)
 Today is a 6 - Be very careful shopping now. Stick to the rules you've set. The very best place for you to be is at home, with your nose in a book.

Aquarius (Jan. 20-Feb. 18)
 Today is a 6 - You have to turn down a party, but use your own good sense. It's going to cost more than you can afford in terms of time and money? The answer is yes, it will.

Pisces (Feb. 19-March 20)
 Today is a 8 - Critics may try to tell you how to run your business, but you don't need their advice. Keep on doing what worked before. It will work again.
