DAILY DOSE

Great new thirst quencher is ham soda

FROM STAFF AND WIRE REPORTS

Sugar Plum, Egg Nog, Christmas Tree and Christmas Ham make up this year's edition of the perennially unusual Jones Soda's Christmas Pack, produced by the Seattle-based Jones Soda Co.

The Hanukkah soda flavors are Jelly Doughnut, Apple Sauce, Chocolate Coins and Latkes.

The soda packs — which are kosher and contain no caffeine — went on sale during the weekend, and a portion of the proceeds will be given to charity

Jones' products feature original art on the label and traditionally odd flavors. Last year's seasonal pack was Thanksgiving themed, with Green Pea, Sweet Potato, Dinner Roll, Turkey and Gravy and Antacid sodas.

NOTED. A Florida man was sent to jail after refusing to sign a \$15 jaywalking ticket two days earlier.

Leroy Franklin Cladd Jr. was cited for not using a crosswalk Thursday. He refused to sign the ticket, a misdemeanor that landed him in jail.

He was not under the influence of drugs or alcohol at the time, police said, and was being held at the Manatee County jail on \$250 bond.

QUOTED. "Value is in the eye of the beholder."

— St. Louis resident Steve Beeny, son of the 81-year-old minister who sold memorabilia from his Elvis is Alive museum on eBay for \$8,300.

The collection includes a tape recording said to be of Elvis Presley's voice long after his death and piles of documents said to be FBI files proving Presley's involvement with federal authorities.

Expert tips: clipping coupons

Living on a college budget means necessities, such as food and rent, must be balanced with other "necessities," such as retail shopping and going out to eat.

Coupon clipping and other bargain shopping tips can help you do most of the things you want to do while still having some extra cash left in your wallet.

Sue Stock, retail reporter from The (Raleigh) News & Observer, says, "You can save money almost anywhere if you try."

Stock gives her top tips for how to shop on a budget:

■ **All coupons help.** Even coupons with lower amounts off will increase savings eventually. The best coupons are in the Sunday newspaper.

■ **Look everywhere.** Web sites, such as www.couponcabin.com, are good places to look for coupons. Some have restrictions, so read the fine print.

■ **Double-coupon days.** Many grocery stores double the value of coupons as an immediate way to increase your savings.

■ **Stock up.** If you have room at home, stock up on non-perishable staples of your diet when the items are on sale.

■ **Coupons work for retail, too.** Check Web sites such as www.wow-coupons.com to get deals at big-name stores.

■ **Join restaurant loyalty clubs.** You can get rewarded for eating more frequently at your favorite restaurants. Some offer deals such as buy 10 sandwiches get the 11th free.
