DAILY DOSE

But will it get you out of 8 a.m. classes?

FROM STAFF AND WIRE REPORTS

Talk about your post-break blues. Diego, a 10-year-old boy in Mexico, hated the thought of going back to school after winter break so much that he used industrial glue to secure his hand to his bed.

When his mother, Sandra Palacios, awoke, she found him leisurely watching television. She then spent about two hours trying to free her son's hand, using water, oil and nail polish remover before calling police, Monterrey police chief Jorge Camacho told The Associated Press.

"I didn't want to go to school because vacation was so much fun," the boy told local media.

Unfortunately for Diego, paramedics were able to unstick him in time for school.

NOTED. A 53-year-old Iowa City man was arrested for snitching on himself.

Ricky Lee Jones was arrested during a traffic stop and charged with fourth-degree illegal game betting after complaining to police that he was robbed of his gambling earnings.

Police said Jones was shooting dice with his partner, who apparently became angry, grabbed the money being wagered and ran off.

QUOTED. "I like to do little things in my life that amuse me. This amuses me."

— "The" Dan Miller Experience, an Akron, Ohio, rapper who legally changed his name from his given name of Daniel Michael Miller II to the apostrophed version.

His first name is "The" Dan, with quotation marks. His middle name is Miller and his last name is Experience.
