HOROSCOPES
If January 22nd is Your Birthday...
Take classes and learn new skills this year to bring in extra money. Develop your creative talents. You may not be able to quit your day job yet, but get headed in that direction.
To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.
Aries (March 21-April 19)
Today is an 8 - You have another conflict between your public and private lives. You may have to attend a meeting, but get back home quickly. Somebody there needs you.
Taurus (April 20-May 20)
Today is a 6 - Focus on security, and replenish your resources. Stack up provisions for the future. This weekend always calls your name.
Gemini (May 21-June 21)
Today is an 8 - Don't waste your money on silly things you can do without. Save it up for something spectacular you'll remember for years. Get a good career, too.
Cancer (June 22-July 22)
Today is a 5 - They say that if you do what you love, the money will follow in your case, that's what's happening now. If you don't already have the perfect job, go and apply for it.
Leo (July 23-Aug. 22)
Today is an 8 - A confrontation doesn't need to lead to an ugly scene. The other folks have to make decisions without you. Make suggestions if needed, but don't expect them to be obeyed.
Virgo (Aug. 23-Sept. 22)
Today is a 5 - Give yourself time to think, so you don't make silly mistakes. You're under pressure. It's nothing you can't handle. You might even make it look easy.
Libra (Sept. 23-Oct. 22)
Today is an 8 - Once you understand what's between you and your partner, you can start making plans. Invest, figure out what you can delegate. Get everybody involved. Your team loves you.
Scorpio (Oct. 23-Nov. 21)
Today is a 6 - There's an exam coming. Better prepare. Practice the skills you'll need to do your job from the next level up. In plenty of course.
Sagittarius (Nov. 22-Dec. 21)
Today is a 7 - The more you study, the more options you discover. New questions are raised almost as fast as the old ones are answered. Expand your area of inquiry.
Capricorn (Dec. 22-Jan. 19)
Today is a 5 - Stay away as much as you can in a very safe place. Make it hard to get it out once you've just it. It's locked-in multi-year investments. For example, work just fine.
Aquarius (Jan. 20-Feb. 18)
Today is an 8 - You're strong and getting stronger, so you won't mind a bit of competition. Don't get caught off guard. Be prepared.
Pisces (Feb. 19-March 20)
Today is a 5 - It may be especially hard to get to work on time this morning. Hopefully, you'll be able to stay late and finish the tasks. Keep from falling behind, if you can.
