RECYCLE ME PLEASE!

HOROSCOPES If February 1st is Your Birthday... Friends are your key to success this year. You come up with the great ideas and they'll help you do what's required. Also save time for loved ones, and avoid domestic problems.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

Aries (March 21-April 19) Today is an 8 - Upcoming changes create room for you closer to the top. Friends can help you maintain the connections you'll need to improve your situation.

Taurus (April 20-May 20) Today is a 6 - Financial caution is advised. It's not a good day to shop. You'll feel like you deserve something you may not even want. Keeping up with fashion and neighbors is no way to budget.

Gemini (May 21-June 21) Today is an 8 - You've been pushed to take action, an uncomfortable position. You've recently also been given an important clue. You know which way to go. Get moving.

Cancer (June 22-July 22) Today is a 5 - Making sure all the bills are paid requires your full attention. Let someone else do the other chores, without a hint of guilt. You're doing your share.

Leo (July 23-Aug. 22) Today is an 8 - Your workload remains immense, and it gets worse before it gets better. You have an opportunity however, for a frivolous moment. Don't draw too much attention.

Virgo (Aug. 23-Sept. 22) Today is a 5 - Business matters and household chores vie for your attention. Don't let the one distract you so much that you make a mistake on the other. Be present with what you're doing.
