HOROSCOPES

If February 6th is Your Birthday...

One thing after another turns out well for you this year. It's not just that you're lucky, although that helps. You're devising good plans and following them. That works.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

Aries (March 21-April 19)
 Today is an 8 - You run with an intelligent crowd. They keep you on your toes. Relax, and take the leadership position you've rightfully earned.

Taurus (April 20-May 21)
 Today is a 5 - Take on more responsibility and you will increase your earnings. Will it be enough to make up for the extra stress? Don't answer immediately. Stress on family counts too.

Gemini (May 21-June 21)
 Today is a 9 - Something you've always wanted to see or do is now within reach. Make up your mind, make up your plans, and make your reservations.

Cancer (June 22-July 22)
 Today is a 5 - Plan for your future and you will find out what's important now and what's not. Paying off old debts could take top priority. They're very expensive.

Leo (July 23-Aug. 22)
 Today is an 8 - The best partner for you is a friendly yet analytical type. This person can help you devise a good strategy. Find this person and get him or her to do that.

Virgo (Aug. 23-Sept. 22)
 Today is a 6 - It's just one thing after another, all day long and into the night. Some of the instructions are not clear, so you'll have to concentrate. Don't give up.

Libra (Sept. 23-Oct. 22)
 Today is a 10 - Your luck is excellent now. So, what do you want to begin? New projects, launched under these conditions will be exceedingly fun.

Scorpio (Oct. 23-Nov. 21)
 Today is a 5 - Refresh your reserves. Build up your energy by slacking away a few more provisions for your own future. Pick away stuff you're not using too.

Sagittarius (Nov. 22-Dec. 21)
 Today is an 8 - There's a sense of urgency about the task you've undertaken. This is good. It helps you concentrate your attention. You'll also learn what you learn.

Capricorn (Dec. 22-Jan. 19)
 Today is a 6 - You can afford to make your life easier. There's a tool you've been thinking about that could increase your efficiency. Time to go shopping.

Aquarius (Jan. 20-Feb. 18)
 Today is a 9 - Somebody you care about thinks you're looking very good. This person may seem to be critical, but that's just a test. You're passing with flying colors.

Pisces (Feb. 19-March 20)
 Today is a 5 - You have everything you need. You can just let it. Sort and file and throw things away. You can do it. Have courage. You'll be richly rewarded.
