HOROSCOPES
If February 14th is Your Birthday
Get the place you've always wanted this year. Fix it up in style. Develop a nurturing environment. If you're already on this path, do more, happily.
To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.
Aries (March 21-April 19)
Today is a 7 - The answer you've just discovered leads to new questions, naturally. You never have to worry about being bored, you won't let that happen. You're interested in everything.
Taurus (April 20-May 20)
Today is a 7 - Look around, while you're out there in unfamiliar territory. Odds are good you'll find a way to do business at a price. You love it when this happens.
Gemini (May 21-June 21)
Today is a 7 - Don't rush off before you've finished a task that must be done. You know what it is, or if you've forgotten you'll be reminded. It has to do with money.
Cancer (June 22-July 22)
Today is a 6 - Review your holdings and you will find a link that needs to be plugged. You're putting too much for something you don't use anymore.
Leo (July 23-Aug. 22)
Today is a 7 - You've almost had too much of a good thing in the past few days. Schedule a break to share with territorial friends. Restore your sense of humor.
Virgo (Aug. 23-Sept. 22)
Today is a 7 - Important business decisions will have to be made soon. Things should go well, once you've had misunderstandings cleared away. All if there are any.
Libra (Sept. 23-Oct. 22)
Today is an 8 - Through your own intervention, your place is quite comfortable. It may not be with good friends.
Scorpio (Oct. 23-Nov. 21)
Today is a 6 - You and your partner need to discuss an upcoming purchase. You can get something that will last for years, if you pool your resources.
Sagittarius (Nov. 22-Dec. 21)
Today is a 7 - Once you've made the decision, should almost be over by now. Soon you can hand the maintenance duties over to somebody else. Look forward to that.
Capricorn (Dec. 22-Jan. 19)
Today is a 6 - Your resolve is broken by an urgent request. Take care of the job immediately and get back to having fun. Keep your priorities straight.
Aquarius (Jan. 20-Feb. 18)
Today is a 7 - You really are making the decision about what to do at home. There'll be time to relax. Schedule an interesting evening for you and somebody you love.
Pisces (Feb. 19-March 20)
Today is a 6 - The list of things you've been meaning to do is getting pretty long. Go over it again before you start. Some have lost all justification, and can be deleted.
