(UN)HAPPY VALENTINE'S FROM DIVE

you look
LOVELY!

wanna
buy me
a drink?

BY RACHEL BRODY AND CATHERINE WILLIAMS
STAFF WRITERS

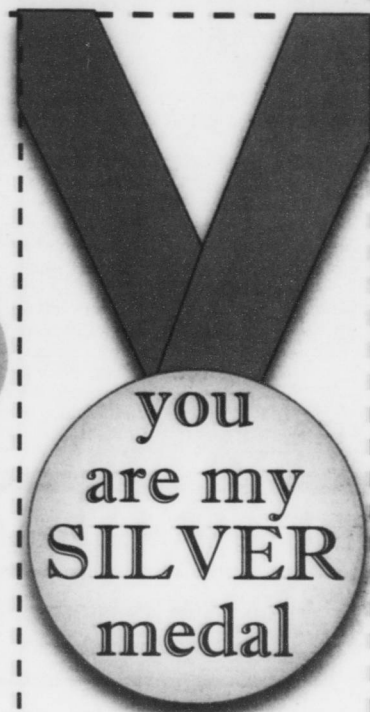

This Valentine's Day, dare to be different. Chocolates, flowers and candle-lit dinners are all overdone. Overly sweet conversation hearts and generic Hallmark cards don't cut it anymore.

Store-bought valentines featuring Spongebob or Scooby-Doo dropped into paper-bag mailboxes are a thing of the past. This is college, people.

If you want to impress that special someone, it's time to get clever. And nothing says "I care" like a creative Diversions un-valentine. They'll make you laugh. They might make you cry — but only if you take them too seriously.

So grab some scissors and get to cutting. Spread the valentine cheer with these specialized cards. Happy Valentine's Day.

The latest in Romero's "Dead" series is full of typical undead gore, but the political commentary proves heavy-handed.
