Announcements

NOTICE TO ALL DTH CUSTOMERS

Deadlines are NOON one business day prior to publication for classified ads. We publish Monday through Friday when classes are in session. A university holiday is a DTH holiday too (i.e. this affects deadlines). We reserve the right to reject, edit, or reclassify any ad. Acceptance of ad copy or prepayment does not imply agreement to publish an ad. You may stop your ad at any time, but NO REFUNDS or credits for stopped ads will be provided. No advertising for housing or employment, in accordance with federal law, can state a preference based on sex, race, creed, color, religion, national origin, handicap, marital status.

THE DAILY TARHEEL

is seeking students to serve on its corporate Board of Directors for the 2008-09 school year. The board is responsible for the financial policies of the organization, budgeting and administering the annual editor selection process. The board meets for up to 60-90 minutes 7 times a year. A more detailed explanation and application are available at: www.dailytarheel.com, scroll over About Us and click on Board Member Application. Applications are due by April 4. Email any questions to kischwartz@unc.edu.

Female Volunteers Wanted for Nutrition Research Study

The Nutrition Department at UNC-Chapel Hill is enrolling participants for a study to examine the effects of estrogen and certain gene variations on human choline requirements.

Choline is an essential nutrient and is found in many foods. We recently found that the human choline requirement differs from person to person and is influenced by estrogen and common gene variations. The purpose of this study is to improve our understanding of how these factors change a person's need for choline.

We are looking for healthy women, with a BMI range of 18-34, who are 18-80 years of age, with no liver problems, no history of heart disease or blood clots, and no history of breast or endometrial cancer.

Post-menopausal women will be asked to take either Premarin (a form of estrogen replacement therapy) or a placebo. Pre-menopausal women will not take any medication. All participants will ingest diets that are low in the nutrient choline. Participants who are eligible must eat food provided by the General Clinical Research Center (GCRC). They must also live and stay at the GCRC in UNC Hospital for up to 62 days and will receive their meals there during this time. The entire study will last up to 9 weeks. Participants will NOT be able to attend school or go to work during their participation in this study.

Participants will receive up to \$3500 for completing the study.

For more information, please call (919) 408-3320 x-32 or send an email to: Adult_Choline_Study@unc.edu

DO YOU HAVE UPS AND DOWNS IN YOUR MOOD? DO YOU HAVE TIMES WHEN YOU FEEL BLUE OR DEPRESSED? DO YOU WANT TO UNDERSTAND IT AND SEE YOUR BRAIN?

UNC-Chapel Hill's CERT-BD is looking for participants for a research study on Bipolar Disorder.

You will receive a study-related psychiatric assessment, physical exam, MRI, neurocognitive testing, and may qualify for study medication. You will receive compensation for your time.

Please call (888) 843-6421 for more information or visit <http://www.med.unc.edu/cert-bd>
