CLINICAL RESEARCH COORDINATOR

Do you want to make a difference in the health of women?
Faculty at the UNC Schools of Medicine and Pharmacy are looking for an NC licensed nurse practitioner or physician's assistant to complement their dynamic Women's Health and Clinical Pharmacology Research Program in HIV/AIDS. As someone who has an attention to detail and is team-oriented, you will participate in the execution and management of our Phase I through Phase IV clinical trials focused on the PREVENTION AND TREATMENT OF HIV INFECTION IN WOMEN. Primary responsibility is in the clinical care and management of HIV-positive and HIV-negative trial participants. Additional responsibilities include developing recruitment strategies, managing the regulatory component of the trials, completing case report forms, and writing manuscripts and grants. Our research program is at the forefront of the field, so you will have the opportunity to participate in the presentation of scientific data at key research meetings. If you have the desire to be part of a fast paced, challenging environment that is working to PREVENT AND TREAT HIV INFECTION IN WOMEN and you possess advanced organizational and data collection skills, and have strong interpersonal skills, we look forward to hearing from you! Fluency in Spanish is highly desirable but not required.
Please forward applications to: Kristine_patterson@med.unc.edu

HOROSCOPES

If March 3rd is Your Birthday
Your associates put you in touch with the right people this year. You have an amazing network of resources to draw upon. Don't even try to do everything by yourself.
To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.
Aries (March 21-April 19)
Today is a 5 - Information you provide helps a great deal, so concentrate and provide correct answers. Doing what you promised is even more important.
Taurus (April 20-May 20)
Today is a 9 - Something you recently learned from a friend helps you get much further ahead. You have a coach who can teach you about a new technology.
Gemini (May 21-June 21)
Today is a 6 - Having plenty leads to a solid sense of confidence. Your status is going up, partly because of your attitude. Feeling like a winner shows.
Cancer (June 22-July 22)
Today is an 8 - Let someone with experience coach you in a new endeavor. You don't earn extra points by doing things the hard way. Make it easy on yourself.
Leo (July 23-Aug. 22)
Today is a 5 - Your attitude should be pretty good, although you may be tired. Others offer encouragement. They believe you can do it. Trust them, and go on.
Virgo (Aug. 23-Sept. 22)
Today is a 9 - You're exceptionally lucky now, especially in familiar games. Familiar people are favored, too, especially the fun-loving kind. They'll help you with your work.
Libra (Sept. 23-Oct. 22)
Today is a 7 - It may be hard to pull yourself out of your snuggly nest. Motivate yourself by thinking about the people you love. Do it for them.
Scorpio (Oct. 23-Nov. 21)
Today is a 7 - Resolving a domestic matter once and for all takes a load off your mind. Stop worrying about it; get it fixed. There, on to other things.
Sagittarius (Nov. 22-Dec. 21)
Today is a 5 - Make sure you've done the homework before you make your purchase. You want to get the best quality, but don't pay an arm and leg for it.
Capricorn (Dec. 22-Jan. 19)
Today is an 8 - You're smart, but you don't rely on your wits. You also do the homework. That's the hidden reason you so often have the right answers.
Aquarius (Jan. 20-Feb. 18)
Today is a 7 - If somebody owes you money, now's the time to ask for it. Persistence pays in cold, hard cash sometimes, even if it's been a while. Try again.
Pisces (Feb. 19-March 20)
Today is an 8 - Your suggestion stirs up the meeting. People who had given up on finding a solution to the problem are activated. Share your unique perspective.
