

“ I love UNC. I love the quad in the spring and the arboretum in the fall. I love the Pit on a sunny day and Graham Memorial Lounge on a rainy one. I love Roy all the time. But what makes UNC truly special is not our beautiful campus, our distinguished reputation or even our basketball team. It's us — the student body — who make UNC what it is. ”

EVE MARIE CARSON

The campus heard. And the campus came. The University community — students, faculty, staff, administrators, town residents, those who knew her best, those who never met her — turned out by the thousands to remember Student Body President Eve Carson.

Those same people are still reeling, trying to make sense

of the senseless violence that took one of their own even as police try to uncover the details of what exactly happened since Eve's roommates left her studying at home Tuesday night.

Whatever those answers ultimately are, one thing is certain: Eve Carson loved this University and its students.

And they loved her.
