Favorite reality show Winner: Rock of Love with Bret Michaels

Fascinating captain. We've seen the evolution of reality in the many years of CF, going from Survivor to Idol to Top Model and now to this. Here's MTV's partial promo: "Since 1986 when MTV introduced the world to the blue-eyed lead singer of Poison, women around the world have worshiped Bret Michael's as a veritable Rock God. Never out of the spotlight, Bret's career is still rocking with Poison and as a successful solo artist and the women are still lining up in hopes of a lying down with the sexy star."

Favorite CD from 2006

Winner: Graduation, Kanye West

Hey, we're okay with this. We also would have accepted "As I Am," Alicia Keys or "In Rainbows," Radiohead.
