Favorite place to get your caffeine fix

Winner: Starbucks

Well, once upon a time, there was just one Starbucks, right? The mega coffee purveyor increased its margin over its rivals since the last CF, meaning bad press and burnt coffee is not dissuading the Carolina nation from indulging. And you do like The Daily Grind, Caribou and Jack Sprat - just not as much ☹.

Feeling cramped?

Maybe it's time to break out and find your own nest.

Favorite place to get a frozen dessert

Winner: Yogurt Pump

Yo Po rules this category with about 75 percent of the vote, beating out Cold Stone. Some new arrivals scored, such as Sugarland and LocoPops, but it's going to have to be a cold day in July before Yo Po loses it's grip on the market around here. We'll take a Ghirardelli® Chocolate-Reese's Cup®-Berries & Crème-Oreo® Nut Swirl, please, and make it fat free!

THE Pita Pit Chapel Hill

Best restaurant for a healthy meal

Winner: Pita Pit

For the second year in a row, and despite a quick exit from Lenoir, the Pita Pit ruled this category. You probably couldn't order something unhealthy if you tried. You also like Whole Foods, Subway and Panera in this category.
