Penis snatchers arrested

Police in Congo have arrested 13 suspected sorcerers accused of using black magic to steal or shrink men's penises.

Victims claimed that sorcerers made their genitals shrink or disappear to extort cash.

"They tell you that it's become tiny or that they've become impotent. To that I tell them, 'How do you know if you haven't gone home and tried it,'" said Police Chief Jean-Dieudonne Oleko, who remains skeptical.

Police reported all three girls were skipping school, one from high school and two from middle school. The girls reportedly admitted shoplifting the items to sell, which they said they had done in the past.
