HOROSCOPES
If September 2nd is Your Birthday
You'll be tested this year on whether you can stick to a budget. If you can't, your resources will get thin. There's always plenty of love though, so don't even worry about it.
To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

Aries (March 21-April 19)
Today is a 7 - You'll have to stick to the schedule to get all the work done. Schedule romance for later. Then forget about it. You'll remember when it's time.
Taurus (April 20-May 20)
Today is a 7 - The work you're doing now will benefit your family later. They may even appreciate your efforts, and say so. They might not, but they might. Don't hold your breath.
Gemini (May 21-June 21)
Today is an 8 - Don't get stressed by thinking about something you still don't have. Focus on what you do have and don't worry. Be happy.
Cancer (June 22-July 22)
Today is a 7 - Get everybody to work together on a creative project. They'll play nicely, for hours. Just don't let them leave you with the mess.
Leo (July 23-Aug. 22)
Today is a 7 - Speak your mind to a person you love. Don't hold back your opinion. That goes for approval as well as criticism. What you say matters.
Virgo (Aug. 23-Sept. 22)
Today is a 7 - Talk's cheap, but talking about your money can get downright expensive. Do keep track, but don't broadcast the information all over town.
Libra (Sept. 23-Oct. 22)
Today is a 7 - Keep thinking; you'll come up with an idea that will solve the problem. It probably won't be the first idea, however. Take care.
Scorpio (Oct. 23-Nov. 21)
Today is a 7 - Involvement leads to a windfall profit. This isn't illegal, of course, just a way to get ahead of the competition. Being early has its advantages.
Sagittarius (Nov. 22-Dec. 21)
Today is a 7 - Don't let the boss catch you yanking it up on company time. Do what you do to make sure the money keeps coming in. You and your buddies are thinking up lots of new ways to spend it.
Capricorn (Dec. 22-Jan. 19)
Today is a 7 - Ignore a potential contribution. Accept a promise of payment. Get the letter in writing, though, and don't spend it until the check clears.
Aquarius (Jan. 20-Feb. 18)
Today is a 7 - Some of the things you're worried about are because of your point of view. If you stand further away, mentally, they won't seem like such a big deal.
Pisces (Feb. 19-March 20)
Today is a 7 - Confer with your mate before making any major purchases. If you don't, you'll never stop hearing about it. And not in a good way.
