HOROSCOPES

If September 22nd is Your Birthday...
You have a strong agenda this year, and goals you want to achieve.
Your temper will be tested, along with your patience. Learn self discipline and get tough.
To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.
Aries (March 21-April 19)
Today is a 7 - Take the time to plan your next move. Don't react emotionally. Consult your partners. They may know about something you don't. That's important.
Taurus (April 20-May 20)
Today is a 7 - Your work will take up more of your time in the next few weeks. A new assignment leads to lots of chances for new mistakes. Pay attention; you'll learn as you go.
Gemini (May 21-June 21)
Today is a 7 - Expenses could be higher than anticipated now. Take care when buying gifts or gambling. Even better, don't do any of those things now.
Cancer (June 22-July 22)
Today is a 7 - Anticipate resistance so you won't be caught unprepared. Offer several choices so others can't turn at least one of them down.
Leo (July 23-Aug. 22)
Today is a 7 - You can get rid of a lot of the garbage you've been lugging around. It's a marvelous day to dump, shred and sell. The results are amazing.
Virgo (Aug. 23-Sept. 22)
Today is a 7 - Meetings and other social activities take up a lot of your time. This may be necessary, but be sure to call if you'll be late for dinner.
Libra (Sept. 23-Oct. 22)
Today is a 7 - OK, you've had your break. Now it's time to get back to work. Don't argue with somebody who tells you what to do. Just smile and do it.
Scorpio (Oct. 23-Nov. 21)
Today is an 8 - You're entering a contemplative phase. Over the coming four weeks, your anger can turn into forgiveness and love, if you make that your objective.
Sagittarius (Nov. 22-Dec. 21)
Today is a 7 - Your involvement in the community may increase in the next few weeks. Don't do it by writing a big, fat check; you can't afford that. Contribute time, instead.
Capricorn (Dec. 22-Jan. 19)
Today is a 6 - You'll hear a lot of fancy words, but not a lot of substance. Keep asking where the money's coming from and where it's going. Then you'll know.
Aquarius (Jan. 20-Feb. 18)
Today is a 7 - It's getting easier to visualize yourself achieving your goal. Of course, you'll think of something else as soon as you get there. That makes it interesting.
Pisces (Feb. 19-March 20)
Today is a 7 - You need a little more cuddle time before you take on a new challenge. Set up something for tonight that includes comfort food. Meatloaf and mashed potatoes could work.
