HOROSCOPES

If September 30th is Your Birthday...
 You'll be even smarter than usual this year, and more decisive. This is going to be fun. You can improve your income and clear up several gray areas in your life.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

Aries (March 21-April 19)
 Today is an 8 - You won't have to say very much to get your point across. Let the other person talk herself around to your point of view. This will be lots of fun.

Taurus (April 20-May 20)
 Today is a 5 - How are you as a manager? Would you rather simply do the job yourself to get it right? You may not have that option. Practice being an inspiration to others.

Gemini (May 21-June 21)
 Today is a 10 - Make up a list of your hopes and wants, and then forget about it. Do good deeds for others and you'll be amazed at what happens for you.

Cancer (June 22-July 22)
 Today is a 5 - Follow a whim. Do this at home, however, not out in the big, wide world. Be wild and crazy - in a secure environment.

Leo (July 23-Aug. 22)
 Today is an 8 - You'll soon be skillful enough to relax. Be careful now, however. It's easy to make mistakes when you're not sure what you're doing.

Virgo (Aug. 23-Sept. 22)
 Today is an 8 - You can afford to get something nice for your family. Decide what you want, and what it's worth, so you'll know a good deal when you see it.

Libra (Sept. 23-Oct. 22)
 Today is a 9 - Think for a moment before you take action. You can figure out exactly which way to go. Your hunches should be right on.

Scorpio (Oct. 23-Nov. 21)
 Today is a 5 - The time you spend lost deep in thought can lead to great rewards. You have a lot of details to sort, and you need your quiet time. Protect your privacy.

Sagittarius (Nov. 22-Dec. 21)
 Today is an 8 - Don't believe everything you hear, especially regarding money. Errors will be the rule, not the exception. Estimates will be too high or too low. Get a Virgo to double-check the facts.

Capricorn (Dec. 22-Jan. 19)
 Today is a 5 - Listen carefully to what they're saying at the top. Some of this information you can use. You can figure out what they need and, quite possibly, provide it.

Aquarius (Jan. 20-Feb. 18)
 Today is a 9 - Continue with your countdown, confident in your team and your abilities. The odds are in your favor for a marvelous, successful journey.

Pisces (Feb. 19-March 20)
 Today is a 5 - Try not to get emotionally whacked if you find that you've taken a loss. You have enough. Trust yourself for that. You'll always think of something.
