

WRESTLING

Mueller shines despite close UNC losses

BY GABE HIATT
SENIOR WRITER

Keegan Mueller answered any questions about his bum shoulder and banged-up knee Saturday. The senior 165-pounder shined on a dismal day for a Tar Heel team that went 0-3 against Michigan State, Wisconsin and Illinois in the third annual ACC/Big Ten Clash at Eddie Smith Field House. "You have to learn to wrestle hurt," coach C.D. Mock said. "There's not too many wrestlers at the Division I level that — when you go through a season — by the time you get to nationals, you're not hurting somewhere." In spite of his pain, Mueller excelled in the event, bringing his

record to 8-1 in the Clash during the past three years. He shut out the 14th-ranked 165-pounder in the country, Michigan State's Rex Kendle, and dominated Wisconsin's Gabe Stopplemoor to the tune of 15 points and a technical fall in the first period. "I feel like whenever it's on the line in front of your fans, you love those (matches)," Mueller said. "It makes you wrestle your best." He gave his best to Illinois' Roger Smith-Bergsrud, but the 13th-ranked wrestler handed Mueller his only loss in a 3-2 bout. Close losses proved to be the theme of the day, and North Carolina lost 10 bouts by 2 points or fewer. "We proved to everybody when

DTH ARTICLE ONLINE: UNC's Daniel Llamas notched a top-10 win Saturday. we go out there all the time that we're not to be taken lightly," senior heavyweight Justin Dobies said. Dobies felt the tinge of tight defeat more than any of his teammates. Twice he fell 3-2 to a wrestler ranked in the top 10 in the country. Those were John Wise of Illinois and Kyle Massey of Wisconsin. He did manage to defeat MSU's Alan O'Donnell, 3-1, and kept a positive outlook on the day's struggles. "I'm gonna do everything in my power to train," Dobies said. "When I get there, they better watch out." Senior 197-pounder Daniel Llamas got excited himself. Although

he wasn't expected to start, he filled in for injured Dennis Drury and stunned the crowd by defeating No. 8 Patrick Bond from Illinois. While Mock was happy for Llamas, he was less excited about the turn the day took for his team. "Some of the guys on the team have fantastic attitudes, but generally I'm a little concerned about this 'wrestling not to lose' attitude," he said. "You don't lose, that's just not an option. You go out and you fight for seven minutes, and you don't stop to contemplate the possibility of losing. That's how you win at this sport."

HOROSCOPES
If November 17th is Your Birthday...
Your imagination is super-activated this year. You'll come up with solutions that work. Your fame will travel & this can even lead to more money. Establish a relationship with a good patent attorney.
To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

Aries (March 21-April 19)
Today is a 5 - You have just about everything you need, and if you don't, you can get it. You have so much, you could even put away some for the winter.
Taurus (April 20-May 20)
Today is an 8 - Learn from a valued coach and friend. It could be anything from a favorite recipe to a formula for a happy life. Actually, those could even be combined. Ask and ye shall receive.
Gemini (May 21-June 21)
Today is an 8 - Conditions are still good for increasing your income. Put in for that raise, promotion, new client or better job. If you don't have anything in mind, get busy with that, first.
Cancer (June 22-July 22)
Today is an 8 - Do what you love and the money will follow. This time, it could actually happen. It won't hurt your enjoyment one bit if you're doing it professionally.
Leo (July 23-Aug. 22)
Today is an 8 - Go over the coming week's assignments before you get into them. You love surprises, but not if it's a rush order that's overdue. Take a few moments to prepare, to avoid embarrassment.
Virgo (Aug. 23-Sept. 22)
Today is an 8 - Meetings should go well, especially those involving planning. People will be practical and unusually efficient. It's even possible to get things done with a committee.
Libra (Sept. 23-Oct. 22)
Today is a 6 - Use your imagination to figure out what's required, and to provide it. If you can do this, and you probably can, great wealth will come to you. This method still works.
Scorpio (Oct. 23-Nov. 21)
Today is a 9 - You're awesome. Others are impressed with your stamina and wit. You're a driving force in your team's performance, and what they accomplish makes you look good. It's win-win.
Sagittarius (Nov. 22-Dec. 21)
Today is a 7 - Make money by cutting your expenses. Stop subscriptions to magazines you don't read, and review your interest rates. Make sure you're paying the least and earning the most.
Capricorn (Dec. 22-Jan. 19)
Today is a 7 - Again, you need to delegate everything you can. Replace yourself with a person who does these chores better than you do. Create jobs all around you. It could take three or four to do what you do.
Aquarius (Jan. 20-Feb. 18)
Today is a 7 - Keep pushing as long as you can; by tomorrow, your enthusiasm for repetitive tasks will definitely start to wane. Be looking around for a helper. Having one will make this job a lot more fun.
Pisces (Feb. 19-March 20)
Today is a 10 - They say if you do what you love, the money will follow. You can get very good at whatever you love doing. There will still be work involved, though.
