Having used the Mustang Liniment in my family for several severe cases of hard lumps and swellings, I cheerfully give my certificate to its excellent effects. My daughter had a hard lump, the size of a head egr, upon her wrist for year. I told her to rub it with the Liniment, and a few applications entirely removed it. I have also used the Limiment for Scrofulous Tu-mors, or swellings in the threat of long standing, on two of my servants, and it removed them both in a short time. I consider them all remarable cures, and recommend the Mustang Liminent as the best article I ever used. JESSE T. HOPKINS,
