Mesera, BEACH & BROWNSON-Sire : I send for another bettle of your "Marchisi's Uterine Catholicon." My wife has been afflicted for eleven years, and a variety of means has been resorted to for relief, but none was obtained until I received this medicine from you. Its influence seem almost magical; there was a manifest improve ment from the day it was taken.

As there are a great many females in our country labouring under the affiction for which ty to recommend it to all such.

THE MEXICAN MUSTANG LINIMENT Has been used quite extensively in the stables of ADAMS & CO'S GREAT SOUTHERN, EAST, RN and WESTERN EXPRESSES, for CURING Galds, Chafes, Scratches, Sprains and Bruises, and it has proved very effectual. Many of their men have also used it on themselves and their families, and they all speak of its healing and remedial qualities in the highest terms. One of our hostlers got kicked, and basily cut and bruised on his knee—as usual the MUSTANG LINIMENT was resorted to, and the soreness

and lameness was soon removed, and it was per feetly well in three or four days. We have no hesitation in recommending it as a valuable pre-paration, to be used externally on man or beast. DONNING, W. CARMER, Foreman of Adams & Co.'s Express Stable

family for several severe cases of hard lumps and swellings, I cheerfully give my certificate to its excellent effects. My daughter had a hard lump, the size of a hen's egg, upon her wrist for a year. I told her to rub it with the Liniment, and a few applications entirely removed it. I have also used the Liniment for Scrofulous Tumors, or swellings in the throat of long standing, on two of my servants, and it removed them both in a short time. I consider them all remarkble cures, and recommend the Mustang Liniment as the best article I ever used.

Monganton, N. C., June 30th, 1853 Dr. A. G. Brano & Co.-I feel it my duty to those of my fellow beings who are afflicted as I have been, to add my testimeny to the wonderful effects of your Mustang Liniment. I was severely attacked in December last with Rheumatism in its worst form, suffering night and day with exeruciating pain for six months, being for whole time unable to to walk or even step. My right leg was so contracted and drawn up that I could not but it to the ground, and my left arm was badly contracted. During the whole thue I was attended by two of the most killful phy-

I was attended by two of the most killful physicisms in the place, but they were unable to afford me relief, and finally gave me up—pronounced me incurable, and said I must die.

At this critical moment I commenced using the Meixon Mustang Liniment, and after using two small bottles I began to find relief from my suffering; and after using seven bottles I was as well as ever, and am now stont as ever I was before.

GEORGE GOOD.

Mondanton, June 30th, 1853. I certify that I am acquiated with George Good-that he was afflicted with Rheumatism as above stated, nd was neured by the use of the Mexican Mustang Liniment.
