THE ROAD TO HEALTH. HOLLOWAY'S PILLS. CURE OF A DISORDERED LIVER AND BAD DIGESTION. COPY of a Letter from Mr. R. W. Kirkus, Chemist, 7, Prescott Street, Liverpool, dated 6th June, 1851. Sir—Your Pills and Ointment have stood the highest on our sale list of Proprietary Medicines, for some years. A customer, to whom I can refer for any enquiries, desires me to let you know the particulars of her case. She had been troubled for years with a disordered liver, and bad digestion. On the last occasion, however, the violence of the attack was so alarming, and the inflammation set in so severely, that doubts were entertained of her not being able to bear up under it; fortunately she was induced to try your Pills and she informs me that after the first, and each succeeding dose she had great relief. She continued to take them and although she used only three Boxes, she is now in the enjoyment of perfect health. I could have sent you many more cases, but the above, from the severity of the attack, and the speedy cure, I think speaks much in favor of your astonishing Pills. (Signed) R. W. KIRKUS. AN EXTRAORDINARY CURE OF RHEUMATIC FEVER IN VAN DIEMEN'S LAND. Copy of a Letter inserted in the Hobart Town Courier, of the 1st of March, 1851, by Major F. Welch. Margaret McConnig, nineteen years of age residing at New Town, had been suffering from a violent rheumatic fever for upwards of two months, which had entirely deprived her of the use of her limbs; during this period, she was under the care of the most eminent medical men in Hobart Town, and by them her case was considered hopeless. A friend prevailed upon her to try Holloway's celebrated Pills, which she consented to do, and in an incredible short space of time, they effected a perfect cure. CURE OF A PAIN AND TIGHTNESS IN THE HEART AND STOMACH OF A PERSON 84 YEARS OF AGE. From Messrs. Thew & Son, Proprietors of the Lynn Advertiser, who can vouch for the following statement—August 2d, 1851. Sir: I desire to bear testimony to the good effects of Holloway's Pills. For some years I suffered severely from a pain and tightness in the stomach, which was also accompanied by a shortness of breath that prevented me from walking about. I am 84 years of age, and notwithstanding my advanced state of life, these Pills have so relieved me, that I am now desirous that others should be made acquainted with their virtues. I am now rendered, by their means, comparatively active, and can take exercise without inconvenience or pain, which I could not do before. (Signed) HENRY COE, North street, Lynn, Norfolk. These celebrated Pills are wonderfully efficacious in the following complaints. Acute, Female Irregularities, Retention of Urine, Asthma, Fevers of all kinds, Scrofula or King's Evil, Stomachic Disorders, Piles, Sore Throat, Blisters on the Skin, Gout, one or several Bowel Complaints, Head ache, Secular Symptoms, Colic, Indigestion, Tic Douloureux, Constipation of Bowels Inflammation, Tumors, Consumption, Jaundice Ulcers, Debility, Liver Complaints, Venereal Affections, Dropsy, Lumbago, Worms of all kinds Dysentery, Piles, Erysipelas, Rheumatism, Weakness from whatever cause, &c. &c. STABLER'S DIARRHEA CORDIAL. Is pleasantly recommended to invalids, as it combines the most valuable ingredients of the Pharmacopoeia, and is particularly efficacious in curing DIARRHOEA, and similar affections of the system. In its action, it always restores the system to a healthy condition of the LIVER, thus removing the cause at the same time that it cures the disease. The valuable Medicines above named have recently been introduced, with the approval of a number of the Medical Profession in the City of Baltimore and elsewhere, and in practice have succeeded most admirably in curing the diseases for which they are prescribed. They are offered to the Country Practitioner, as medicines which he can in all respects depend upon, as prepared in conformity with the experience of some of the most learned and judicious Physicians, and strictly in conformity with the rules of Pharmacy, and as especially serving his convenience, who cannot so readily attend to the preparation of medicines, and who the City Physician has his own prescriptions compounded by a practical Pharmacist. See the descriptive Pamphlet to be had gratis of all who have the Medicines for sale, containing recommendations from Doctors MARTIN, BALZELL, ADDISON, PAYNE, HARRY, LOVE, &c. Dr. J. C. AYER, says "I do not hesitate to recommend your Diarrhea Cordial and Anodyne Cherry Expecterant." Dr. JOHN ANDROS, says "It gives me much pleasure to add my testimony to that of others, in favor of the extraordinary efficacy of your Diarrhea Cordial." &c. &c. of the Expecterant, "I have no hesitation in recommending it, as a most valuable medicine." &c. &c. Dr. R. A. PAYNE, says he has used the Diarrhea Cordial in his practice "with the happiest effect, and thinks it one of the most convenient and efficient combinations ever offered to our profession." Dr. L. D. HARRY, writes, "I have administered your Anodyne Expecterant, in several cases of Bronchial Affection, with the most happy results, and from a knowledge of its admirable effects, I can with the greatest confidence recommend it." Dr. W. S. LOVE, writes to us that he has administered the Expecterant to his wife, who has had the Bronchitis for fourteen years, and that she is fast recovering from her long standing malady. It has in a few weeks done her more good than all the remedies she has heretofore used under able medical counsel. Sixteen of the best Apothecaries and Pharmacists in the City of Baltimore, write "We are satisfied that the preparations known as STABLER'S ANODYNE CHERRY EXPECTERANT and STABLER'S DIARRHOEA CORDIAL are medicines of great value and very efficacious for the relief and cure of the diseases for which they are recommended; they bear the evidence of skill and care in their preparation and style of putting up, and we take pleasure in recommending them." Twenty-seven of the most respectable Merchants, residents of Maryland, Virginia and North Carolina, who have sold and also used these medicines themselves, say, "From our own experience and that of our customers, we do confidently recommend them For Bona Publica. We have never known any remedial use for the diseases for which they are prescribed, to be so efficient and to give such entire satisfaction to all." The above is a Medical Faculty PHARMACIANS OF high standing, and MERCHANTS of the first respectability, should be sufficient to satisfy all, that these medicines are worthy of trial by the afflicted, and that they are of a different stamp and class from the "Quackery" and "Cure Alls" so much imposed upon the public.
