LEFT the premises of the subscriber on Friday the 30th of April last, a small negro boy, between 10 and 11 years of age, named DAVE. He is four or four and half feet high, has a high forehead, and in looking at you slightly, but perceptibly throws his head backward. In talking, his articulation is imperfect on the account of being tongue-tied, (as it is called) and owing perhaps to other natural defects. When last seen, he was without hat or jacket. He may be wandering about, and perhaps in consequence of the defect of his speech, not be able to make himself understood. I forewarn all persons whatsoever from secreting or in any manner unlawfully detaining him, so that he cannot return home. A liberal reward will be given to any person finding and bringing him to me, or sending me word where he is, so I get him.

**Another Scientific Wonder!**  
GREAT CURE FOR  
**DYSPEPSIA!**  
**DR. J. S. HOUGHTON'S**

THE TRUE  
**DIGESTIVE FLUID,**  
OR, GASTRIC JUICE.

Prepared from RENNET, or the fourth STOMACH OF THE OX, after directions of BARON LIEBIG, the great Physiologist, Chemist, by J. S. HOUGHTON, M. D., Philadelphia, Pa.  
This is a truly wonderful remedy for Indigestion, Dyspepsia, Jaundice, Liver Complaint, Constipation, and Debility, Curing after Nature's own method, by Nature's own Agent, the Gastric Juice.  
Half a teaspouful of Pepsin, infused in water will digest or dissolve, Five Pounds of Roast Beef in about two hours, out of the stomach.  
Pepsin is the chief element, or Great Digesting Principle of the Gastric Juice—the Solvent of the Food, the Purifying, Preserving, and Stimulating Agent of the Stomach of the Ox, thus forming an Artificial Digestive Fluid, precisely like the natural Gastric Juice in its Chemical powers, and furnishing a complete and perfect substitute for it. By the aid of this preparation, the pains and evils of Indigestion and Dyspepsia are removed just as they would be by a healthy Stomach. It is doing wonders for Dyspeptics, curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption, supposed to be on the verge of the grave. The Scientific Evidence upon which it is based, is in the highest degree curious and remarkable.

**SCIENTIFIC EVIDENCE!**  
BARON LIEBIG in his celebrated work on Animal Chemistry, says: "An Artificial Digestive Fluid, analogous to the Gastric Juice, may be readily prepared from the mucous membrane of the stomach of the Calf, in which various articles of food, as meat and eggs, will be softened, changed, and digested, just in the same manner as they would be in the human stomach."  
Dr. COOPER, in his valuable writings on the "Physiology of Digestion," observes that "a diminution of the due quantity of the Gastric Juice, is a prominent and all-prevailing cause of Dyspepsia;" and he states that "a distinguished professor of medicine in London, who was severely afflicted with this complaint, finding everything else to fail, had recourse to the Gastric Juice, obtained from the stomachs of living animals, which proved completely successful."  
Dr. GRAHAM, author of the famous works on "Vegetable Diet," says: "It is a remarkable fact in physiology, that the stomachs of animals, macerated in water, impart to the fluid the property of dissolving various articles of food, and of effecting a kind of artificial digestion of them in no wise different from the natural digestive process."  
Call on the Agent, and get a Descriptive Circular, gratis, giving a large amount of scientific evidence, similar to the above, together with Reports of remarkable cures, from all parts of the United States  
**AS A DYSPEPSIA CURER,**  
Dr. HOUGHTON'S Pepsin has produced the most marvellous effects, incurring cases of Debility, Emaciation Nervous Decline, and Dyspeptic Consumption. It is impossible to give the details of cases in the limits of this advertisement; but authenticated certificates have been given of more than two hundred remarkable cures, in Philadelphia, New York and Boston alone. These were nearly all desperate cases, and the cures were not only rapid and wonderful, but permanent.  
It is a great Nervous Antidote, and particularly useful for tendency to Bilious disorder, Liver Complaint, Fever and Ague, or badly treated Fever and Ague, and the evil effects of Quinine, Mercury, and other drugs upon the Digestive Organs, after a long sickness. Also, for excess in eating, and the too free use of ardent spirits. It almost reconciles Health with Intemperance.  
Dr. HOUGHTON'S Pepsin, is sold by nearly all the dealers in fine drugs and Popular Medicines, throughout the United States. It is prepared in Powder and in Fluid form—and in Prescription vials for the use of Physicians.  
Private Circulars for the use of Physicians, may be obtained of Dr. Houghton or his Agents, describing the whole process of preparation, and giving the authorities upon which the claims of this new remedy are based. As it is not a secret remedy, no objection can be raised against its use by Physician in respectable standing and regular practice. Price ONE DOLLAR per bottle.  
For sale, by J. W. CARMER, Druggist  
Wholesale and Retail Agent.
